By deed dated November 6, 1930, the Shelby Iron Company, a corporation, conveyed to Shelby Iron Company of Alabama, a corporation, all of its properties, real, personal and mixed, at that time owned by Shelby Iron Company. This was just prior to the dissolution of the Shelby Iron Company. The deed was delivered to Shelby Iron Company of Alabama, a corporation, at the time of its execution and the Shelby Iron Company of Alabama, a corporation, immediately took possession of the real property then owned by Shelby Iron Company and covered by said deed. Among the property at the time owned by Shelby Iron Company of Alabama and which was covered by the conveyance to the Shelby Iron Company of Alabama, a corporation, was the following property located in Shelby County, Alabama, to-wit:

South half of Southwest Quarter, Section 16, Township 18,

The Shelby Iron Company of Alabama, a corporation, took possession of said eighty acre tract of land, above specifically set out, immediately after the execution of said deed, and has had and held possession and paid taxes thereon up to the present time. The original deed from Shelby Iron Company, a corporation, a photostatic copy of which has been given to Title Guarantee and Trust Company, of Birmingham, Alabama, is now held and has continuously been held in possession of Shelby Iron Company of Alabama, a corporation, since the date of its execution. This deed has never been recorded.

As Land Agent for Shelby Iron Company, a corporation, I handled the transaction whereby Shelby Iron Company, a corporation, conveyed to Shelby Iron Company of Alabama, a corporation, all of its property, real, personal and mixed, at that time owned by the Shelby Iron Company, I arranged the deal and supervised the making of the deed from the Shelby Iron Company, a corporation, to Shelby Iron Company of Alabama, a corporation, and continuously since that time I have been and still am Land Agent for Shelby Iron Company of Alabama, a corporation.
