Before the undersigned authority personally appeared Herman E. Parnell, who is know to me and who being by me first duly sworn does depose and say:

I am a resident of the Town of Montevállo, Alabama. On about the 3rd day of August, 1923, I purchased a lot from Oscar Miller located in the Town of Montevallo and described as being Lot R in SE $\frac{1}{4}$ of NW $\frac{1}{4}$. The deed whereby this lot was conveyed to me is recorded in deed record 75 at page 7 in the Office of the Judge of Probate of Shelby County, Alabama.

Since purchasing this lot I have resided thereon and reside thereon at the present date.

This lot fronts on Broad or Main Street in the Town of Montevallo, being situated on the North side thereof, and is further described as being located in the block which fronts on Broad or Main Street and is bounded on the East by Wadsworth Street and on the West by Block Street.

The lot on which I reside and which is mentioned hereinabove in no way encroaches upon the property of Mrs. J.S. Ward which is also situated in the Town of Montevallo. The property owned by Mrs. Ward is approximately one-quarter of a mile Northeast of the lot on which I reside.

Done this the 14th day of April, 1950.
