4402

STATE OF ALABAMA,

JEFFERSON COUNTY

Before me, Irene Bramlet, a Notary Public, in and for said County, in said State, personally appeared W.R. Hoffman, who, being first duly sworn, deposes and says that the mortgage from Lyda M. Elliott and husband, S.E. Elliott, to Columbus Fertilizer Company, a Corporation, of Columbus, Georgia, dated March 1, 1930, securing \$2200.00 and recorded in Mortgage Book 160, on page 315, in the office of the Judge of Probate of Shelby County, Alabama, conveying certain lands in Section 33, Township 19, Range 2 East, in Shelby County, Alabama, as accurately described therein, was transferred for a valuable consideration to your affiant by the Columbus Fertilizer Company, a Corporation, prior to June 22, 1933; said transfer was made by a proper endorsement on said mortgage by an officer of the Columbus Fertilizer Company, a corporation, having authority to make such transfer; affiant further says that on June 22, 1933, he was the owner of said mortgage under said transfer, and that on June 22, 1933, he marked on the margin of said mortgage record satisfaction and settlement of said mortgage.

Affiant further says that after said mortgage indebtedness was paid in full that your affiant destroyed the original mortgage and endorsement thereon, as aforesaid, several years ago, believing at that time that said original mortgage could no longer serve any good or useful purpose.

Affiant further says that the Columbus Fertilizer Company a corporation, has been out of existence for a number of years.

W.R. Hoffman
