COUNTY OF SHELBY

Before me, the undersigned authority in and for said County and State, personally appeared J.W. Rachels being known to me, and who being by me first duly sworn deposes and says:

That I am one of the grantors in that certain right of way grant dated the 22nd day of January, 1946, and recorded in Deed Book 139 at page 203 of the records of Shelby County, Alabama, and executed in favor of V.B. Currie.

The lands described in said right of way grant constitute all of the lands owned by me at the time of the execution of said grant and crossed by the pipe line constructed under said grant.

That said pipe line enters the property described in said grant after crossing the property to the south owned, at the time of the execution of said grant, by Oliver B. Hall and wife, Marie H. Hall, and after crossing the property described in said grant enters the property owned, at the time of the execution of said grant, by Era Patton, a widow, on the east.

That the grantors in said right of way grant and their predecessors in title have been in open, notorious, peaceful, adverse and undisputed possession of said lands for more than twenty years, and that I have never heard the title of said grantors or their predecessors in title, or their possession of said lands, disputed or questioned.
