

STATE OF ALABAMA,
SHELBY COUNTY.

Before the undersigned authority personally appeared R. L. Veazey, who is known to me and who being by me first duly sworn deposes and says:

I am acquainted with the following property partly situated in the NE 1/4 of SE 1/4, SE 1/4 of SE 1/4, all in Section 29; and in the SW 1/4 of SW 1/4 and NW 1/4 of SW 1/4, NE 1/4 of SW 1/4 and SE 1/4 of SW 1/4, all in Section 28; all in Township 21, Range 2 West, Shelby County, Alabama, and more particularly described as follows:

Begin at the NW corner of Section 33, Township 21, Range 2 West, being the SW corner of SW 1/4 of said Section 28 and running North 3 deg. 30' West 1188 feet; thence South 73 deg. 30' West 873 feet to right of way of L & N RR; thence North with said right of way 27 deg. 20' West 401 feet to the North boundary line of the SE 1/4 of SE 1/4 of said Section 29, thence North 27 deg. 20' West 284.5 feet; thence North 87 deg. East 3313.8 feet along an old fence to Camp Branch; thence along Camp Branch by seven lines as follows: South 46 deg. 10' West, 351.5 feet, South 6 deg. 50' East 418.5 feet, South 57 deg. 30' West 359 feet, South 41 deg. 30' West 360 feet, South 18 deg. 10' West 384.7 feet, South 61 deg. 20' East 296.7 feet, South 43 deg. 50' East 129 feet to Section line between Sections 33 and 28, thence along said Section line South 89 deg. West 1608 feet to point of beginning, containing 76.3 acres, more or less.

I have known this property for more than twenty years. I am the husband of Myrtle New Veazey who is the owner of this property and for more than twenty years we have resided upon the property and occupied it as a homestead and portions of it have been cultivated each and every year either by us personally and by me as agent and husband of said Myrtle New Veazey, or through tenants of said Myrtle New Veazey. However, there is a fifteen foot strip off the south side of said Section 28 from Camp Branch to the west forty line of said SW 1/4 of SW 1/4 of said Section 28, reserved for a roadway.

There is also excepted the right of way of the Birmingham - Montgomery Highway.

With the exception of said fifteen foot strip and the right of way of Birmingham - Montgomery Highway no other person, firm, or corporation has been in possession of any of said property during the twenty years or more that we have lived upon it as a homestead.

Neither J. W. Harden or J. I. Harden, or Claude Shill, Trustee, or any other person dueing the said twenty years has been in possession of any of said property.

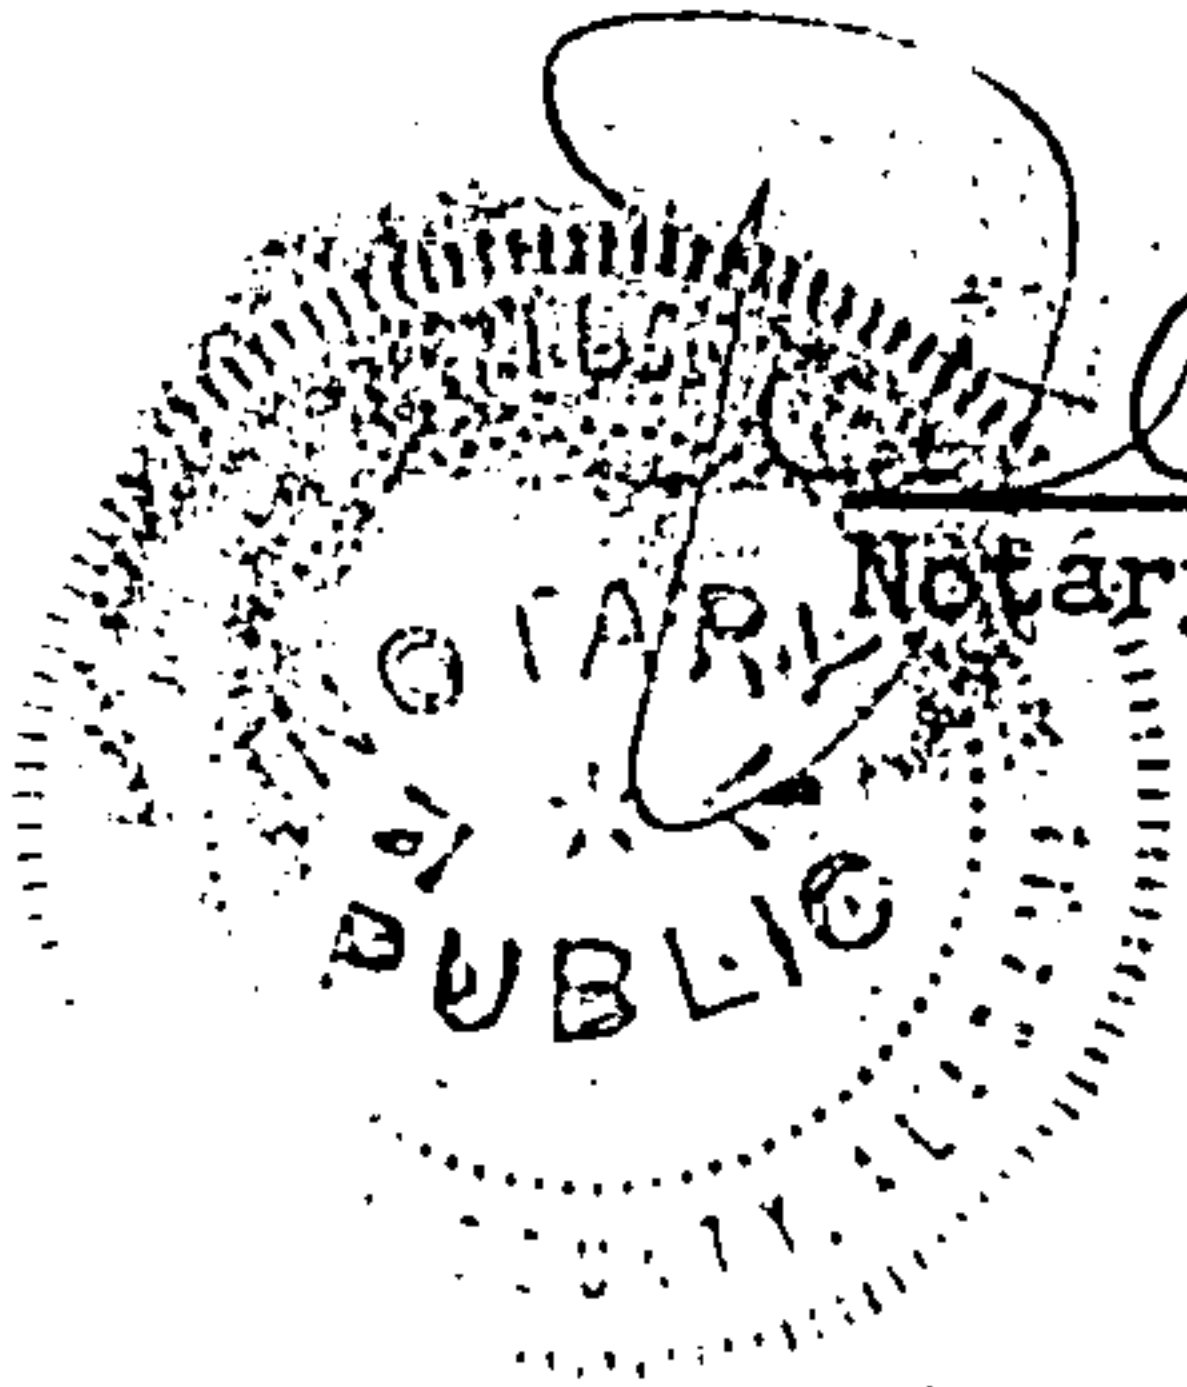

My wife had the property surveyed in 1931 by J. R. McMillen, a licensed surveyor and County Engineer, and I was with him when he made the survey and know the above description of the property is correct.

Aside from cultivating portions of it each and every year during the time I have known it my wife and I have had pasture land on it fenced in and used for pasturing of cattle.
