

STATE OF ALABAMA)

SHELBY COUNTY.)

Before me W L Christian a Notary Public

in and for said County in said State personally appeared L. E. Christian who being duly sworn deposes and says as follows:

That he is a son of J. P. Christian and familiar with all the lands named and described in the O. K. Curlee abstracts; that he was reared in the town of Shelby and near all of said lands and lived in said town until after affiant reached his majority.

Affiant further states that he knew Mary J. Seale, wife and widow of Robert Seale, and affiant knows that said Mary J. Seale is now dead.

Affiant further states that J. S. Storrs has never at any time owned or claimed any of the lands described in the O. K. Curlee abstract, but he owned the mineral interest in ten acres of land on the East side of Hazard Street as shown by map attached to abstract of title marked "B".

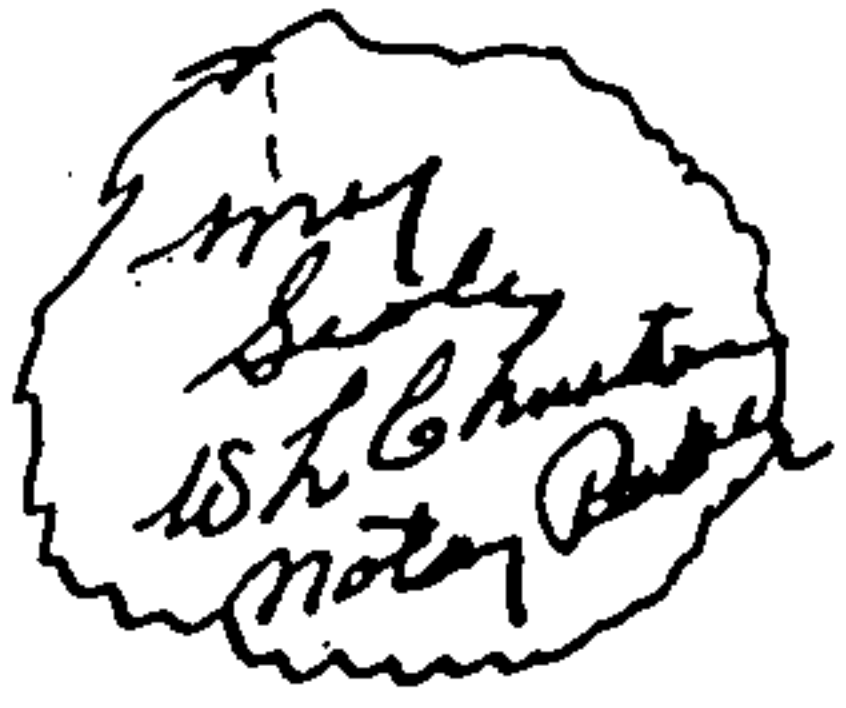

Affiant further states that his father J. P. Christian deeded to J. R. Storrs a one-half interest in the surface right to said lots on the East side of Hazard Street in consideration for a deed from Storrs for a one-half interest in the mineral right in said ten acres on said East side of Hazard Street.

Affiant further states that he knew Herman Alber and that the said Alber at no time owned or claimed any interest in the lands described in the O. K. Curlee abstract, but affiant knows that Alber surveyed and made the map of Christian's addition to Shelby as described on page 9 of said abstract "B" and that in payment for said services several lots were deeded by J. P. Christian, father of affiant, to said Herman Alber in payment for such services, that none of said lots were the lots described in the O. K. Curlee abstract, but other lots.

Affiant further states that the deed of J. P. Christian and wife and John S. Storrs and wife to Herman Alber was never recorded and the quit claim deed referred to on page 10 of said abstract of title "B" was intended and did only convey back to J. P. Christian and Storrs the lots they had deeded to said Alber for his said services as said Surveyor and maker of said map.
