

STATE OF ALABAMA, X
SHELBY COUNTY.....X

Before me, the undersigned authority, in and for said County, in said State, personally appeared W.C. Templeton, who, being duly sworn, deposes and says that he resides at Westover, in Shelby County, Alabama; that for many years, your affiant and his wife, Ella Glenn Templeton, resided in Cahaba Valley, in Shelby County, Alabama, and at such time affiant's wife owned a joint interest and resided upon the North Half of the Southwest Quarter of Section 32, Township 18, Range 1 West, except a triangular tract of land in the Southwest corner of said eighty acres which belonged to C.G. Elliott; affiant further says that there was a fence constructed many years ago across the Northwest Quarter of said Section 32, running in an Easterly direction from the Cahaba Valley Road toward the East line of said Northwest Quarter and some thirty feet North of the South line of the Northwest Quarter of said Section 32, East of said Cahaba Valley River Road, as aforesaid, said fence being on the lands owned by J.B. McLaughlin and others.

Affiant further says that Ella Glenn Templeton, your affiant, and others, sold and conveyed to L.B. Burch, during the year 1944, all of the North Half of said Southwest Quarter of Section 32, Township 18, Range 1 West, except the 15 acres in the Southwest corner thereof, and that at the time of said sale to said Burch, as aforesaid, your affiant informed the said L.B. Burch that the fence above described, running in an Easterly direction from the Cahaba Valley Road was not the line between the property sold and the property belonging to J.B. McLaughlin, and others situated in the Northwest Quarter of said Section 32, and that said line extended South of the fence down into the field; affiant further says that he remembers the occasion when L.B. Burch conveyed the above described lands to Thomas B. Sheets, and that prior to said occasion your affiant informed the said Thomas B. Sheets that the said fence running from the Cahaba Valley Road in an Easterly direction across the Northwest Quarter of said Section 32 was

not on the dividing line between the North Half of the Southwest Quarter and the Northwest Quarter of said Section 32, but that said line extended South down into the field, South from said fence.
