

STATE OF ALABAMA

SHELBY COUNTY

Personally came and appeared before me, S.A. Lokey, a notary public in and for the State of Alabama at Large, Elige Boothe, who, after being first by me duly sworn according to law to speak the truth, deposes and says:

My name is Elige Boothe. I am 67 years of age. I live at Maylene in Shelby County, Alabama, and have lived there for more than fifty years, excepting nineteen years that I was at Boothton, which is a short distance from Maylene. I am well acquainted with the following described land and have been for more than fifty years, to-wit:

The South half of Southeast Quarter of Section 20, Township 21 South, Range 3 West.

This property has belonged to the Southern Mineral Land Corporation and the Southern Mineral Land Company as far back as I have known it. At one time something more than fifty years ago, my aunt rented and cultivated a part of this land.

I know of my own personal knowledge that no one in the past fifty years by the name of John Robertson, John L. Robertson, John R. Robertson, Amanda Jane Robertson have been in possession of any part of above described land. I do not know anyone by the above name and I know that no one has lived in or around Maylene for the past fifty years by any of the names above mentioned.

*Elige Boothe*

Sworn to and subscribed before me on this 9th day of February, 1954.
