STATE OF ALABAMA

SHELBY COUNTY

Before me, Harold Harrison, the undersigned authority in and for said County in said State personally appeared Edwin Joiner, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Edwin Joiner. I am thirty-three years of age and am a grandson of Fate Joiner who formerly owned the following described land:

SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 5, Township 21, Range 1 West,
Shelby County, Alabama.

Fate Joiner died in the year 1922 or 1923 without leaving a will and his wife died before him and he left no widow. On February 19, 1938, when several of his heirs are said to have executed a deed to Charlie Joiner which deed is recorded in Deed Book 104, page 270 in the Probate Office of Shelby County, Alabama. I know of my own knowledge that the persons signing said deed and the persons to whom said deed was made and Verneal Joiner and Estelle Joiner were the sole and surviving heirs at law of Fate Joiner, deceased. Said Deed dated February 19, 1938 was signed by J.J. Joiner and his wife, by Carrie Davis and her husband, by Rufe Joiner and his wife, by Duke Joiner and his wife, by Dewey Joiner and his wife, by Hiram Joiner and his wife and by Henry Joiner, an unmarried man, and said deed was made to Charlie Joiner, father of Affiant. Affiant further says that Fate Joiner left one other child, his name being Obie Joiner; that Obie Joiner died several years prior to the year 1944 and left a widow Estelle Joiner and a daughter Verneal Joiner, they being his sole and surviving heirs at law. Affiant further says that he knew John V. Welch who formerly owned said land and that he knows that John V. Welch is one and the same person as John Verlon Welch. Affiant further says that Mary E. Welch is one and the same person as Mary Etta Welch.
