All the rest, residue and remainder of my property of which I may die seized and possessed, wheresoever situated and of whatsoever kind and description, I give, devise and bequeath to my Trustees hereinafter named, in trust, however, and upon the following trusts, uses and purposes:

(a) To pay the net income thereof in equal shares to my six children, Annie Jemison Woodward, Bessie Jemison Morris, Robert Jemison, Jr., Sorsby Jemison, John S. Jemison and Elbert S. Jemison, or in the event of the death of any of them, then the share of such deceased child per stirpes to the descendants of such deceased child. Such distribution of income shall be made as so provided until January 1, 1946, unless prior to that date a majority of my children terminate the trust herein created with respect to five-sixths of said trust. In any such event of invasion of principal, the principal payment made shall be charged against any such beneficiary's share upon final distribution and termination of the trust with respect to such share.

(f) The invalidity of any gift or bequest or of any limitation over or interest intended to be given or made under this item of my will or of any trust herein created as to any property or as to any beneficiary shall not be construed materially to disturb the plan of distribution herein created or to affect the validity of any other gift or bequest or limitation over or interest or trust herein given or created.

ITEM FOUR

In the management and control of the trusts hereby created, and all parts thereof, the Trustees may, in the sole judgment and discretion of the Trustees, do and have done with respect to the particular trust estate, and every part and parcel and share thereof, all things which in the judgment and discretion of the Trustees may seem necessary, desirable or proper to promote, protect or conserve the interests of the trust estate and of the beneficiaries thereof, in like manner as if the Trustees were entitled to said property beneficially and every determination of the Trustees in the construction of the powers conferred upon them or in any manner committed to their discretion or with respect to which they may be empowered to act hereunder, whether made upon a question formally or actually raised or implied in any of their acts or proceedings in relation to the premises, shall be binding upon all persons interested in the trust and shall not be objected to or questioned on any grounds whatsoever. Without in anywise limiting the generality of the foregoing, but solely in order to define with particularity certain of the powers hereby vested in the Trustees, I further declare that the Trustees shall have and may, in their judgment and discretion, and (except as hereafter specifically provided) without notice to any one or order of court, exercise, among others, the powers following, to be broadly construed with respect to each of the trust estates and each share thereof:

(a) To retain any property, investments or securities originally received by the Trustees hereunder, so long as the Trustees shall consider the retention thereof desirable for the interest of the trust estate from time to time, to invest any and all funds coming into the hands of the Trustees hereunder, on any account whatsoever and forming a part of the trust estate, in such property, investments or securities (including participations in mortgages or other investments) as the Trustees in their sole discretion deem advisable, however doubtful or hazardous or limited the description or nature of any property, investments or securities so retained or invested in may be, whether or not the same may be currently producing income and whether or not the same are or may be such as are authorized or deemed proper for investment under the constitution or laws of the State of Alabama or of any other state or of the United States or under the rules of any court having jurisdiction or otherwise and without regard to the location thereof, whether in or outside of the State of Alabama or the United States of America; to convert real property into personal property and personal property into real property; to improve or cause or permit real property to be improved and to abandon, either to a beneficiary or to others, any property which the Trustees deem to be without substantial value. The Trustees shall not be liable to anyone for any loss, depreciation or decrease in value of or failure to produce income on, or for having acquired or retained any such property, investments or securities.

(b) To lease, rent, grant easements over, sell or exchange or otherwise dispose of at private sale and to make contracts of any character whatsoever whether in aid of or similar or dissimilar to the foregoing, with respect to all or any part of the trust estate, and to assign, transfer and convey any or all of the trust estate, or any interest therein, at such times, for such terms (even though such term may extend beyond the termination of the trust) for such considerations and upon such conditions as the Trustees may deem proper, and in any case without liability on the part of the lessee, purchaser, assignee or transferee to see to the proper application of the purchase price or other consideration; to exercise such powers under any power or authority or in the performance of any duty conferred or imposed on the Trustees hereunder.

(c) To manage and control any shares of stock, certificates of interest, bonds or other securities of any corporation, trust or association at any time subject to the trust and with respect to the same to concur in any plan, scheme or arrangement for the consolidation, merger, conversion, recapitalization, reorganization or dissolution, or the lease or disposition of the properties of any such corporation, trust or association and generally to participate in and become a party to any such plan, scheme or arrangement and to agree and bind themselves so to do by deposit with a protective or other committee or trustees or otherwise and whether any such plan, scheme or arrangement may have been proposed or promulgated, with power to accept any securities of any denomination or description of any corporation, trust or association which may be a party to or result from any such plan, scheme or arrangement and generally to represent the trust estate at any and all meetings of the holders of any of the aforesaid securities either personally or by proxy, with or without power of substitution, and at any such meeting to vote upon any matter submitted thereto, ordinary or extraordinary. To exchange, and to agree or consent to the exchange by others without participating in such exchange of any securities of any corporation for other securities of the same corporation of the same or a different class entitled or subject to preferential, subordinate or limited rights, regardless of the individual adverse interest of any Trustee or of the fact that the Trustees, as Trustees hereunder or under any other trust in which any Trustee may be acting, may thereby be taking or agreeing or consenting to action which might be construed as in anywise adverse or beneficial to the interests of the beneficiaries of the trusts hereby created or of any other such trust.

(d) To collect all debts and obligations at any time belonging to the trust estate and to extend time for the payment of the same in such manner, by such processes and upon such terms as in their judgment may seem proper; to make any arrangements with tenants; to compromise or submit to arbitration any matter in dispute, including any liability of, or chargeable against, the trust estate or any beneficiary thereof for taxes of any kind whatsoever; and to purchase and to join with others in purchasing any property which may be subject to a lien in favor of the trust estate.

(e) To hold bonds, notes and other securities in bearer form and to omit to register them; to hold stocks, bonds, notes or securities or property in names other than that of the Trustees with a power of attorney for their transfer, or in the name of the Trustees, and all without any indication that the securities or property are held in trust and without any disclosure of the fiduciary capacity of the Trustees.

Eugenie Robinson Gregg Jameson

(f) To collect and keep account of all income from the trust estate as distinguished from the principal, distributing such income periodically as deemed advisable by the Trustees; and regarding as principal the property originally constituting the trust estate, all investments and reinvestments thereof and all property received in substitution or exchange therefor or upon the sale or other disposition thereof, whether the original property was or was not productive of income, and all dividends or other distributions received in partial or complete reorganization, recapitalization, reconstruction or liquidation of any corporation, trust or association and likewise all dividends or other distributions payable in the stock or other securities of any corporation, trust or association paying the same, except such periodical dividends and distributions so payable as may, in the opinion of the Trustees, be received or paid in lieu of cash dividends, to set up and vary such reserves for depletion, depreciation, obsolescence, amortization, repairs, indebtedness or liabilities as they may deem advisable to provide for any such contingencies, and generally to determine what receipts otherwise constitute income and principal respectively and what losses and expenses constitute charges to income and principal respectively without regard to the laws of Alabama relating to the same, and to what shares or interests in and of the trust estate the same shall be allocated, all as in their judgment may seem fair and reasonable in the circumstances, and to apply income to the payment of debts or taxes owing by or chargeable against the trust estate or secured by lien on any of its property, if deemed advisable by the Trustees, but with a preservation of a charge on principal for the beneficiary of such income.

(g) Upon the death of any beneficiary hereunder who is at the time of his or her death entitled to any income from the trust estate, to pay the funeral and burial expenses and the expenses of the last illness of any such beneficiary from the corpus of the share or presumptive share of the trust estate for or in respect of any such beneficiary then remaining in trust.

(h) To acknowledge indebtedness and to give bond with a surety or sureties for, and to secure and to extend time for the payment of any taxes or other obligations of the trust estate or of any beneficiary thereof which may constitute an obligation of the trust estate or a lien upon any property subject to the trust, and to agree upon the amount of such obligations.

WILL RECORD 84 PAGE 174

(i) To renew or extend any indebtedness of the trust estate existing at any time; to borrow any money from any lender, privately and without order of court, which they may deem advisable for the protection or proper administration of the trust estate or for the exercise of their powers hereunder, and as Trustees to mortgage, pledge or otherwise hypothecate any of the trust property for the purpose of securing any loans; and from time to time to advance money to the trust estate from the funds of any Trustee acting hereunder or the funds of any other trust administered by any Trustee acting hereunder for any purpose or purposes authorized by the trust, and to reimburse any such Trustee for any moneys so advanced and interest thereon from any funds of the trust coming into the possession of any such Trustee from any source.

(j) To pay from and out of the income of the trust estate and/or to reimburse themselves for any and all expenses or expenditures deemed by them to be reasonably necessary to be incurred or made in the administration of the trust or for the protection or care of the trust property, including interest, taxes, insurance premiums paid in respect of insurance on any property or activity of the Trustees and compensation to the corporate Trustee and to such attorneys or agents as they may consider necessary or desirable to employ in such administration or for such care or protection, as well as any other expense incurred for the benefit of the trust estate and, in the event the income from the trust property is insufficient for the purpose of paying such expenses chargeable to income, the same may be paid or reimbursed from the principal of the trust estate.

(k) In making any apportionment or distribution of principal or income of the trust estate, or any share or shares thereof, whether partial or final under the provisions herein contained or for any other purpose, to determine whenever necessary the total value of the trust estate and of any share or shares thereof and select the item or items of property to be paid over and distributed to the party or parties from time to time respectively entitled thereto, all without securing from any court any valuation or determination of valuation or direction as to specific items of property to be paid over and distributed.

(l) To appropriate to the trust estate or any share thereof or designate for division into shares or to retain without division into shares or without designation to indicate any such division or appropriation, all or any property to which from time to time they may be entitled as Trustees of the trust estate and of any other trust and so that unless otherwise indicated the property from time to time held by them as Trustees shall be deemed equally allocable to each of the trust estates of which they shall be Trustees; and to receive from my executors all or any part of my residuary estate transferred for inclusion in the trust estate or part thereof, subject to such charges thereon for taxes or other liabilities, including charges for liabilities paid out of income, as shall be acceptable to the Trustees.

(m) To fix and to change fiscal periods according to which records may be kept, amounts of income determined and returns of income prepared and filed.

ITEM FIVE

I hereby nominate, constitute and appoint The First National Bank of Birmingham, of Birmingham, Alabama, my son, Robert Jemison, Jr., and my son, Sorsby Jemison, as the Executors of this, my will, and as the Trustees of the trusts hereby created, and I direct that while acting as Executors they shall make any payments and do any acts directed or authorized to be done as my Trustees hereunder and have all the powers and authority conferred upon them as such Trustees.

I direct, however, that my estate be held together by my Executors for the period of one year after my death and thereafter until the end of the calendar year next succeeding the calendar year of my death before the trusts hereby created take effect, and I direct my Executors during that period before the trusts take effect to advance to the beneficiaries thereof such amounts as would be equivalent to the amounts to which they would be entitled hereunder if said trust took effect immediately upon my death, making such advances either out of net income or principal, in their discretion.

I further direct that my Executors shall not sell or dispose of any property for the payment of specific legacies unless in their judgment and discretion such sale will not result in unnecessary detriment or loss in value of property.

I direct that neither my Executors nor my Trustees shall be required at any time to file in any court or with any public officer an inventory or appraisal of my estate, and I expressly exempt my Executors and Trustees from giving any bond or surety as such.

Eugenia Repper Sorsby Jemison

The action of a majority of my Executors and Trustees, one of which must be the corporate Executor and/or Trustee, shall control and be binding upon the Executors and Trustees hereunder.

The First National Bank of Birmingham, herein referred to, shall mean the national banking corporation existing by that name in the City of Birmingham, Alabama, at the date of the execution of this will and any immediate, intermediate or ultimate successor thereto or to a successor corporation by merger, consolidation or conversion under state and/or federal laws. Such corporation shall be taken to be the corporate Executor or the corporate Trustee, as the case may be, wherever such expressions are herein used. In the event at any time my said son, Robert Jemison, Jr., and my said son, Sorsby Jemison, or the survivor of them, desire to change the corporate Executor or corporate Trustee hereunder, they or the survivor of them may do so by instrument in writing signed and acknowledged as in the case of deeds to real estate and duly filed in the office of the Probate Judge of Jefferson County, Alabama. Any corporate Executor or corporate Trustee so substituted shall, however, be a bank or banking institution having trust powers and at the time having a combined capital and surplus of not less than Two Million Dollars.

In the event the corporate Executor and/or corporate Trustee herein named or any successor thereto should decline to act, resign or for any other reason fail or cease to act as such corporate Executor and/or corporate Trustee as herein provided, then and in any such event a successor corporate Executor and/or corporate Trustee may be appointed by the individual Trustees or Trustee then surviving by an instrument in writing duly executed and acknowledged in accordance with the laws of Alabama at the time in force with respect to the execution and acknowledgment of deeds to real estate, duly recorded in the office of the Probate Judge of Jefferson County, Alabama, and in default of such appointment within three months of the time the vacancy occurs, the court having jurisdiction of the probate of my will shall appoint the successor corporate Executor and/or corporate Trustee; provided, however, that any such corporate Executor and/or corporate Trustee must be a banking corporation having trust powers and having a combined capital and surplus of not less than Two Million Dollars. Any corporate Executor or corporate Trustee so appointed shall be exempted in the appointment from furnishing any bond as such and shall be bound to perform all the rights, powers, privileges and duties herein conferred upon, granted to or prescribed for the corporate Executor and/or corporate Trustee herein named. When the first individual Executor and Trustee herein named dies, the survivor shall continue to act with the corporate Executor and Trustee, and upon the death of such survivor the corporate Executor and corporate Trustee hereunder shall be the sole Executor and Trustee hereunder.

In the event it is deemed necessary to have administration upon my estate in any other state than the State of Alabama and The First National Bank of Birmingham does not see fit to qualify as Executor in such state or states, then either of my said individual Executors, or in the event neither be living, then any person or corporation designated by the trust officer of The First National Bank of Birmingham shall act as sole Executor and, if necessary, also as Trustee in said jurisdiction. It shall be the duty of such Executor and Trustee to complete the administration of my estate in such state or states as soon as practicable and to transmit all property and assets belonging to my estate to The First National Bank of Birmingham, as Trustee hereunder. Such Executor and Trustee shall have the right, with the consent and approval in writing of The First National Bank of Birmingham, to exercise any of the powers of sale herein conferred upon the Trustees hereunder or the Executors hereunder.

IN WITNESS WHEREOF, I, the said EUGENIA REBECCA SORSBY JEMISON, ~~have~~ hereunto set my signature and seal on this, the 15th day of July, 1942, and have signed the twelve preceding pages along the margin thereof, hereby declaring the instrument contained on this and the said twelve preceding pages to be my last will and testament.
