Before me, Harold G. Harmon, the undersigned authority in and for said county in said state personally appeared Beatrice Robinson, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Beatrice Robinson. I am 75 years of age and have lived in Shelby County, Alabama all of my life. I knew Anderson Wilson during his lifetime and recall when he died. At the time of his death, he left surviving him a widow named Sarah Wilson who died many years ago and the following children:

Daniel Wilson, who has sometimes been known as Daniel Bleester Wilson; Linkin Wilson, being one and the same person as Abraham Lincoln Wilson; Estelle Buye, being one and the same person as Estella Wilson Buie; Greeley Wilson, being one and the same person as Greeler Wilson; Dicie Hazzard John D. Wilson, being one and the same person as John Davis Wilson; Etta Wilson Graham and Lonnie Wilson.

Affiant further says that on October 5, 1933, when she is informed that Daniel Wilson and certain other persons made a deed to Sudduth Brothers Inc., which deed affiant is informed is recorded in Deed Book 94 Page 157 in the Probate Office of Shelby County, Alabama, that the persons signing said deed were the sole and surviving heirs at law of Anderson Wilson, except for Etta Wilson Graham who is dead, she having been dead for several years and left surviving her no husband, but one daughter whose name is Laura Graham and she is an unmarried woman. Affiant further says that the said Anderson Wilson had another son named Lonnie Wilson who did not sign the deed but that he was killed more than 30 years ago and he left no children. He had at one time married, but had separated from his wife several years before he was killed. Affiant has never seen or heard of her since that time.

Affiant further says that she is not related by blood or marriage to said persons mentioned above, but lived in the same community with them for many years.
