Before the undersigned authority, personally appeared Georgia Roper who is known to me and who being by me first duly sworn, deposes and says:

I am the owner of the NW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of the NW $\frac{1}{4}$, Section 34, Township 21, Range 1 West, Shelby County, Alabama. Joe Roper, my husband and I purchased this property from Frank Fulton and procured a deed to it dated August 12, 1941 which deed is recorded in the Probate Office of Shelby County, Alabama in Deed Book 110 at page 38^d. We went into immediate possession of the property after the execution of said deed, built a house upon it and lived upon it until Mr. Roper and I separated and he made us a deed to his interest in the property by deed dated January 22, 1952 and which is recorded in the Probate Office of Shelby County, Alabama in Deed book 151 at page 47. Until our separation, Mr. Roper and I lived upon the property, and cultivated a part of it each and every year, and he deeded me his interest in it and thereafter and continuously to the present time I have lived upon it and have cultivated a portion of the 10 acres each and every year since then. I have assessed the property for taxation and paid taxes on it each and every year since we purchased it. All during this time no other person, firm or corporation has made any claim to this 10 acres.
