Before the undersigned authority, personally appeared Myrtle Horton who is known to me and who being by me first duly sworn, deposes and says:

I am acquainted with the NW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 34, Township 21, Range 1 West, Shelby County, Alabama. My mother and father purchased this property from Frank Fulton and procured a deed to it which is dated August 12, 1941 and recorded in the Probate office of Shelby County, Alabama in Deed Book 110 at page 388. My father and mother went into possession of this property immediately upon execution of the aforementioned deed, built a house on it, in which they lived, and in which my mother has continued to live to the present time. My father later deeded his interest in the property to my mother, my father being Joe Roper. They were in actual, open, notorious, continuous, exclusive, adverse and hostile possession of the property during all of this time, and after my father deeded his interest to my mother she has remained in possession of it down to the present time, living upon it, cultivating a part of it, with a garden, potatoe patches and other patches each and every year.
