Before the undersigned authority personally appeared Maurice W. Hammond, who is known to me, and who being by me first duly sworn, deposes and says:

I am connected with Keystone Lime Works, Inc., and have been more than thirty years.

I am acquainted with the Lola Levy property and it does not lie West of the L & N Railroad, but lies East of the railroad somewhere between 250 yards and 300 yards distance from the L & N Railroad Company right of way. In fact it lies East of the old Birmingham Highway and on the East side of the New Birmingham Highway.

All reference in the abstract to the Lola Levy property therefore is based on an erroneous description of property.

My attention is called by the abstract to the fact that Ada Wyatt, et al, are assessing 23 acres off the East side of the SE $\frac{1}{4}$  of SE $\frac{1}{4}$ , of Section 23, Township 20, Range 3 West, when as a matter of fact none of the Wyatt's are in possession of any portion of the SE $\frac{1}{4}$  of SE $\frac{1}{4}$  nor have they ever been. The land they own is probably 2 or 3 miles West of said SE $\frac{1}{4}$  of SE $\frac{1}{4}$  of Section 23.
