Before the undersigned authority personally appeared Alice Posey Martin, who is known to me, and who being by me first duly sworn, deposes and says:

I am a daughter of L. G. Posey, to whom Pearl Wood Jarrett and Husband, R. H. Jarrett, executed a mortgage on May 29, 1939, and which mortgage is recorded in the Probate Office of Shelby County, Alabama, in Mortgage book 168, at page 507..

My father, L. G. Posey, died June 24, 1954. His wife died before he did and he left no surviving widow. He died intestate. His sole heirs at law and next of kin entitled to share in the distribution of his estate were three children as follows:

Alice Posey Martin, who is over 21 years of age and who resides at Jamison, Alabama.

O. A. Posey, a son, who is over 21 years of age, and who resides at Jamison, Alabama.

Napoleon Posey, a son, who is over 21 years of age, and who resides at Jamison, Alabama.

He left surviving him no other children nor descendants of children other than those stated above. He did have three children other than the above named but they died when they were very young, ranging in age from six months to two years when they died.

My father lived with me for 25 or 26 years before he died and the last 14 years of his life he was sick and unable to work at all. He owed no debts at the time of his death and his children took care of his funeral expenses.

My father kept all his papers and personal property at my home and I have searched everywhere he kept any papers of any kind and neither note nor mortgage can be found and are lost. I know that he never did transfer or sale them to anybody because I looked after his business for him and transacted all his business.
