STATE OF ALABAMA **Book 178 Page 90**
SHELBY COUNTY

Before the undersigned authority personally appeared Handy Ellis, who is known to me, and who being by me first duly sworn, deposes and says:

I represent Mr. J. E. Wright, who owns a farm in Shelby County, Alabama, at the junction of the Columbiana and Chelsea highway with the Florida Short Route. Mr. J. E. Wright, whom I represent is a white man and lives in Montgomery, although he owns a home in Shelby County as described and located above.

Abstract to Mr. J. E. Wright's property shows that there is recorded in Judgment Record F, page 246, a judgment against John E. Wright in favor of Associates Discount Corporation, for \$282.72, plus \$12.70 costs. I have ascertained from Mr. W. W. Rabren, who represents the Associates Discount Corporation in the above case that John E. Wright against whom the judgment is recorded is a Negro and resides at Route 1, Box 171, Siluria, Alabama.

Therefore the J. E. Wright whom I represent is an entirely different person than John E. Wright against whom the judgment is recorded.

Further deposing affiant says that there is recorded in the Probate Office of Shelby County, Alabama, in Judgment Record F, at page 225, a tax lien in favor of the Federal Government in the sum of \$4178.86, and in the lien John E. Wright is shown to reside at Route 1, Box 171, Siluria, Alabama.

The J. E. Wright whom I represent is a white man and is not one and the same person as John E. Wright, a Negro, against whom said tax lien is recorded.
