STATE OF ALABAMA

SHELBY COUNTY

Comes before me, W. W. Rabren, a Notary Public for the State of Alabama at large, Jack Lowery, who being first by me duly sworn according to law to speak the truth deposes and says:

My name is Jack Lowery and I am fifty-three years of age and moved to Columbiana, Shelby County, Alabama, about the year, 1932.

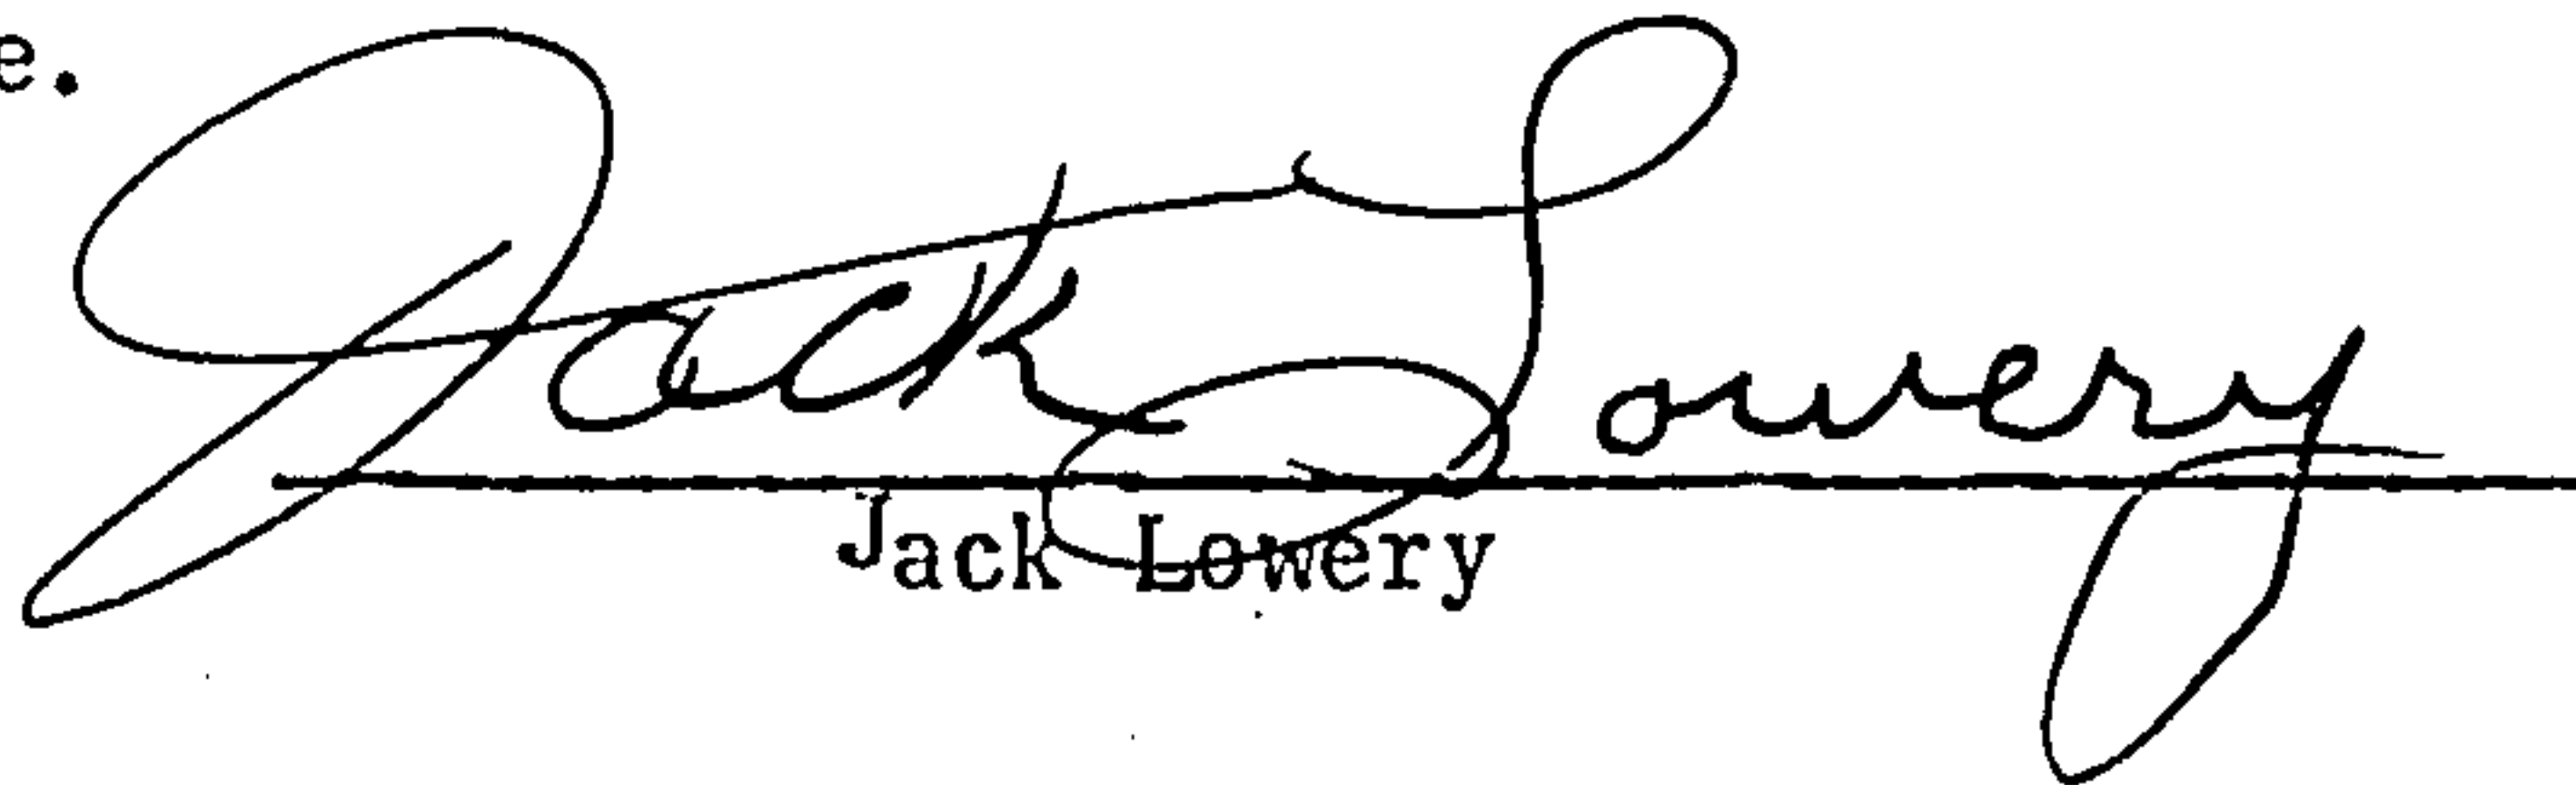

About the year, 1932, I moved on to lands contiguous to the following described property:

E $\frac{1}{2}$ of SW $\frac{1}{4}$ of NE $\frac{1}{4}$ Section 19, Township 21, Range 1 East, SE $\frac{1}{4}$ of NE $\frac{1}{4}$; and part of NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 19, Township 21, Range 1 East described as follows: Begin at point on East and West Median line of said Section and run in a Southeasterly direction 300 feet, more or less, to a point on the North side of Mardis Ferry Road, which point of 426 feet measuring along the road in Westerly direction from its intersection with East line of Section; thence Northeasterly along road 426 feet more or less to East line of Section, thence North along East line of Section of Northeast corner of NE $\frac{1}{4}$ of SE $\frac{1}{4}$; thence West along North line of above forty to point of beginning, containing 1 $\frac{1}{2}$ acres, more or less. Situated in Shelby County, Alabama.

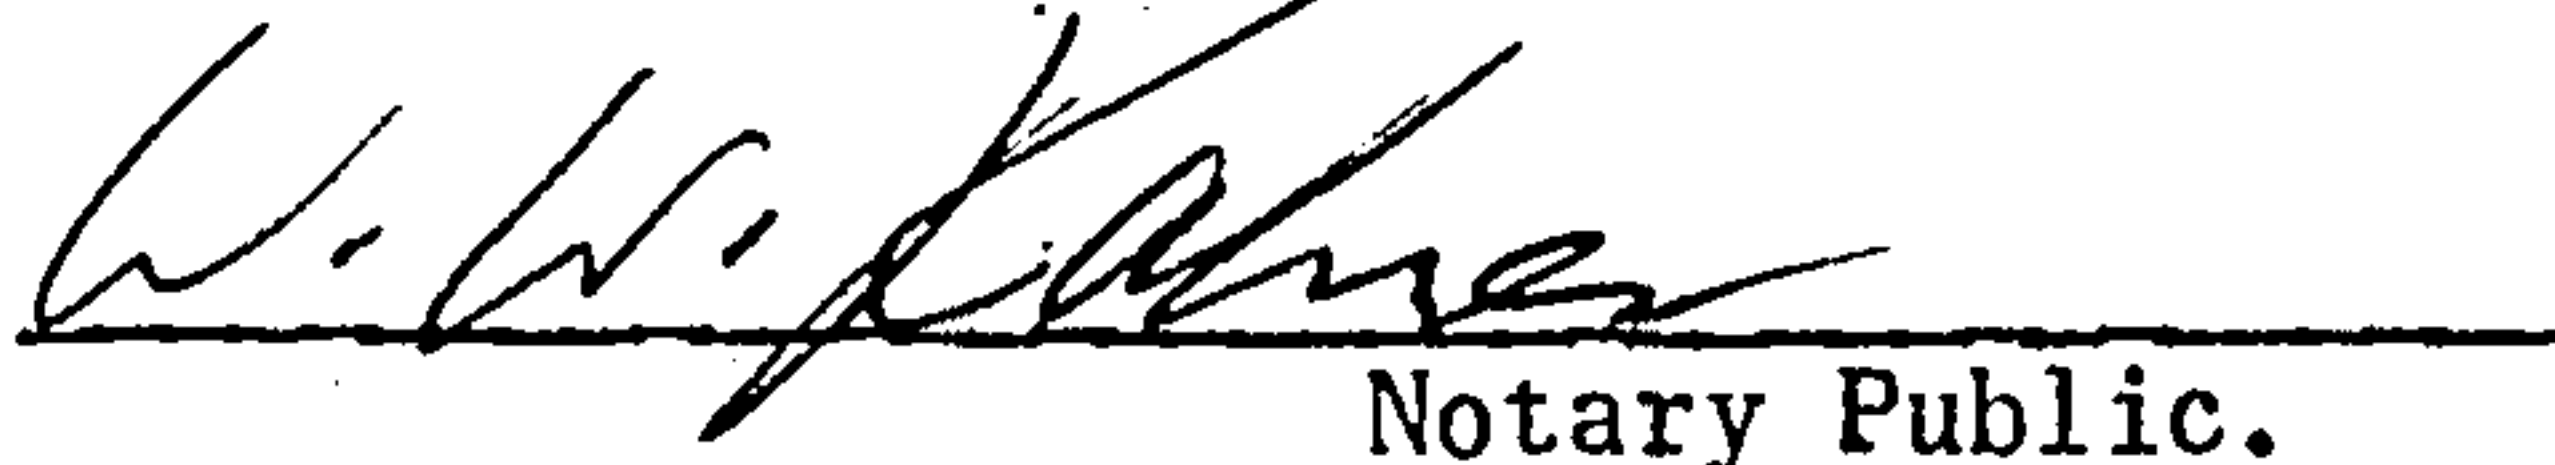

I have been familiar with the ownership and possession of the above described land since about the year, 1932. I purchased the lands contiguous to the above described lands about the year, 1937, and lived on adjacent lands since the year, 1932.

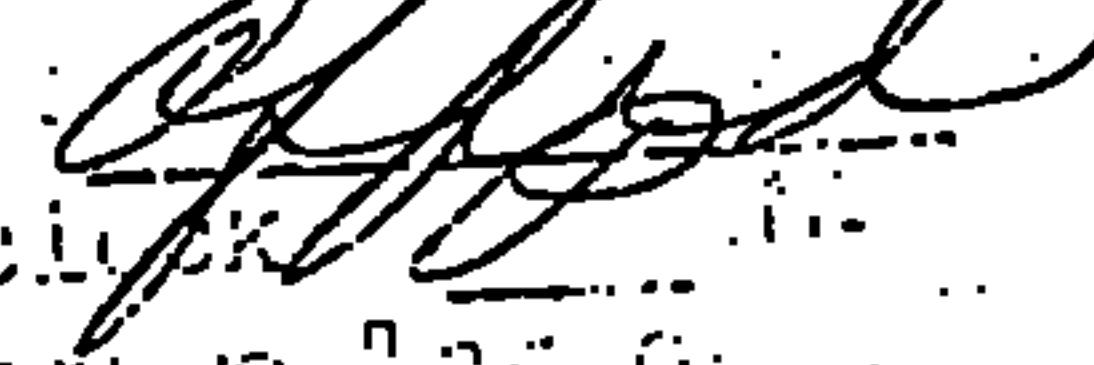

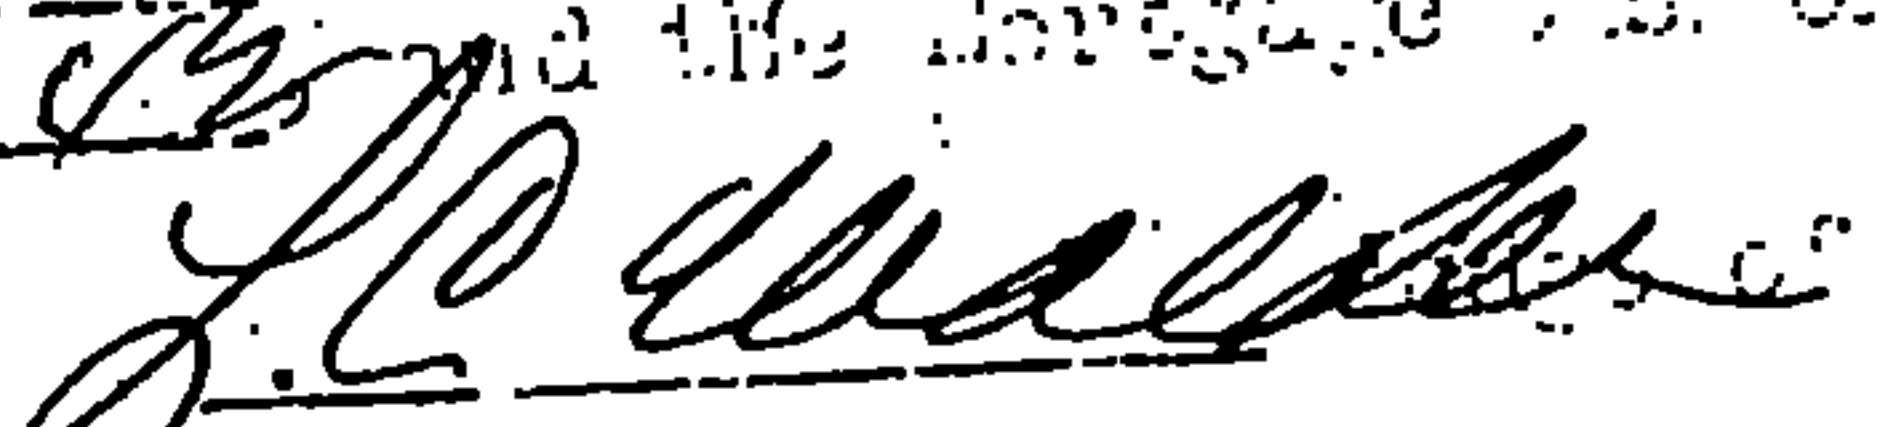

I know from my own personal knowledge that no one has been at any time in possession of the above described lands claiming adverse to the record owners as far back as the year, 1932, nor have I ever known of any one claiming any right, title, or interest in or to the above described lands adverse to the record owners as far back as about the year, 1932.

I know from my own personal knowledge that the possession of the said C. S. Hines and wife, Florence Hines, and their predecessors in title as far back as the year, 1932, was open, notorious, peaceful, quite, exclusive, direct, adverse, hostile and under color of title and claim of ownership and that I have never known of anyone questioning their title.

Jack Lowery
