

THIS CONTRACT, entered into as of the 20th day of July, 1956, by and between the UNITED STATES STEEL CORPORATION, a New Jersey corporation, hereinafter referred to as "Grantor", and PLANTATION PIPE LINE COMPANY, a corporation, hereinafter referred to as "Grantee",

WITNESSETH:

WHEREAS, by contract dated the 30th day of September, 1942, as amended by contract dated February 6, 1951, the Tennessee Coal, Iron and Railroad Company granted to Grantee the right to construct, operate, maintain, and remove a pipe line not to exceed fourteen inches (14") in diameter, and an additional pipe line or lines equivalent to the capacity of a pipe line eighteen inches (18") in diameter, upon a right of way thirty feet (30') in width over land of the Tennessee Coal, Iron and Railroad Company located in Shelby County, Alabama, and more specifically described in said contract dated September 30, 1942, as amended; and

WHEREAS, Grantee constructed a pipe line twelve inches (12") in diameter, referred to as the "first pipe line", along the center line of the said thirty-foot right of way and subsequently constructed a pipe line of eighteen inches (18") in diameter, referred to as the "second pipe line", partly on the southerly and easterly half of the said thirty-foot right of way and partly on a fifteen-foot right of way granted by said amendment dated February 6, 1951; and

WHEREAS, Grantor is successor to the interests of the Tennessee Coal, Iron and Railroad Company under said contract dated September 30, 1942, as amended; and

WHEREAS, Grantee now desires to construct, partly on the northerly and westerly half of the said thirty-foot right of way and partly on other lands owned by Grantor, an additional pipe line of eighteen inches (18") in diameter, hereinafter referred to as the "third pipe line";

NOW THEREFORE:

(1) In consideration of the premises and of the covenants of Grantee as contained in said contract dated September 30, 1942, as amended, to be kept and performed, and in further consideration of the sum of Eighty Dollars (\$80.00) in hand paid to Grantor by Grantee, receipt whereof is acknowledged, Grantor, to the extent of Grantor's interest, hereby grants to Grantee the right to construct, operate, maintain, and remove a pipe line not to exceed eighteen inches (18") in

diameter, and being the third pipe line herein referred to, over, across, and along a strip of land fifteen feet (15') in width located in the South-West quarter of North-East quarter of Section 3, Township 21 South, Range 4 West, Shelby County, Alabama, said strip of land being seven and one-half feet (7½') wide on each side of the following described center line as shown in red on map attached hereto and made a part hereof:

Begin at the northwest corner of said South-West quarter of North-East quarter of Section 3, Township 21 South, Range 4 West; thence in a southerly direction along the west boundary of said quarter-quarter section 61.0 feet; thence turning an angle of 80 degrees and 57 minutes to the left in a southeasterly direction 260.5 feet; thence turning an angle of 1 degree and 09 minutes to the right in a southeasterly direction 41.8 feet; thence turning an angle of 23 degrees and 25 minutes to the left in a northeasterly direction 37.7 feet to intersection with a line 15.0 feet northeast of and parallel with the center line of the pipe line referred to in contract between Tennessee Coal, Iron and Railroad Company and Plantation Pipe Line Company dated the 30th day of September, 1942, said intersection being the point of beginning of center line herein described; thence continuing in a northeasterly direction along a projection of the next above described course 252.8 feet; thence turning an angle of 9 degrees and 23 minutes to the right in a northeasterly direction 64.6 feet; thence turning an angle of 28 degrees and 14 minutes to the right in a southeasterly direction 254.6 feet; thence turning an angle of 0 degrees and 08 minutes to the right in a southeasterly direction 75.0 feet; thence turning an angle of 13 degrees and 58 minutes to the right in a southeasterly direction 91.7 feet to intersection with said line 15.0 feet northeast of and parallel with the center line of the pipe line referred to in contract between Tennessee Coal, Iron and Railroad Company and Plantation Pipe Line Company dated the 30th day of September, 1942, said intersection being the terminus of center line herein described.

(2) The construction, operation, maintenance, and removal of the pipe line constructed under Paragraph (1) above shall be governed by all the terms and conditions of said contract dated September 30, 1942, as amended, except that Grantee shall have no right to construct an additional pipe line or lines along the strip of land herein described without the written consent of Grantor.

IN WITNESS WHEREOF the parties hereto have executed this instrument in duplicate, as of the day and year first above written.
