SHELBY COUNTY

Before the undersigned authority personally appeared C. B. Naish, who is known to me, and who being by me first duly sworn, deposes and says:

I am acquainted with the NE $\frac{1}{4}$ of SE $\frac{1}{4}$, Section 7, Township 21 South, Range 2 West, Shelby County, Alabama.

Wesley Ozley and wife, H. E. Ozley deeded this property to me and my wife, M. M. Naish, by deed dated February¹⁵, 1911, and recorded in Probate Office of Shelby County, Alabama, in Deed Book 50, at page 136. Other property was included in the deed, but this affidavit now relates only to the forty above described.

My wife and I went into possession of this land immediately upon the execution of the aforementioned deed, and I cultivated portions of it each and every year until about 10 years ago. I had crops growing on it each and every year. Sometimes I cultivated it myself and other times I had it cultivated by tenants or hired labor. During the last 10 years I have portions of it under fence and used as a pasture.

My wife and I have been in the actual, open, notorious, exclusive, continuous, adverse, hostile possession of this property from the date of the aforementioned deed to the present time.

Across the Northwest corner of the forty is a dinkey track which was excepted in the deed aforementioned. This dinkey track, however belongs to the Saginaw Lime and Lumber company, and is now owned by the Longview Lime Company, which as I understand it has now been absorbed by Longview Lime Company, a corporation or the present owner Woodward Iron Company.
