Before me, Cecil Duke, a Justice of Peace
in and for said County, in said State, personally appeared Wilton A. Roper, who is known to me, who being by me first duly sworn, deposes and says as follows: My name is Wilton A. Roper. I am the grantee in that certain warranty deed executed on 15 September 1951 by A. B. Baxley and wife, Jewell Baxley, which deed is recorded in volume 148, page 333 of the records of deeds in the office of the Judge of Probate of Shelby County, Alabama. Immediately upon the execution and delivery to me of said deed, I went into possession of the property conveyed by said deed, and have been in continuous open, hostile, exclusive possession of the property conveyed to me by said deed to the date of this affidavit. In order to accurately locate the lines of said property, I had it surveyed. The survey disclosed that the property had been inaccurately described in the deed to me, and in a number of prior conveyances. The survey showed that the property is correctly and accurately described as I am describing it in a warranty deed to Harold Lee West and wife, Jeanette Roper West, which deed is executed contemporaneously with this affidavit. The two deeds described above are intended to convey the same identical property. My post office address is General Delivery Columbiana, Alabama.

Witness my hand this the 17 day of November 1956.
