Before me, E. Erle Smith, a Notary Public in and for the State of Alabama at Large, personally appeared M. C. Young, who, being by me first duly sworn deposeth and saith as follows.

My name is M. C. Young. I am a retired rural mail carrier. I am not employed by the Alabama Power Company or anyother power company. On Thursday, December 13th, I accompanied Robert S. Glasgow, Jr. and John W. Lapsley to the home of Ola Oden, near Wilsonville, Alabama. Mr. Glasgow explained to Ola Oden that he was requested to deliver to her Forty Dollars in currency for the extension of the time within which full payment should be made for certain property purchased from Ola Oden and others in connection with the Wilsonville Steam Plant. Mr. Glasgow took four \$10.00 bills from an envelope and offered them to Ola Oden, but she declined to accept the money, stating she preferred to have it all at one time. She further stated she would not sign any document without first having her attorney read it and approve it. Mr. Glasgow told her it was not necessary for her to sign any document and again offered her the \$40.00 in cash. She again declined to accept it.

I have no interest in this transaction and make this statement as an eye-witness to the transaction.

M. C. Young

Subscribed and sworn to before me this 13th day of December, 1956.
