Before me, Martha B. Joiner, the undersigned authority in and for said County, in said State, personally appeared J. R. McMillen, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is J. R. McMillen. I am a Registered Land Surveyor, my number being Reg. No. 419. In February, 1957, I made a survey of a lot in the NW $\frac{1}{4}$  of NE $\frac{1}{4}$  of Section 3, Township 22, Range 4 West known as the Haynie lot, which lot is comprised of approximately 2 acres of land. I was able to tell from my observation and from talking to the persons living on said road that the east line of said lot running along the west line of the Calvin Harris lot was shortened 15 feet when the new paved highway was constructed. I was unable to tell whether or not the west line of said Haynie lot was shortened. I carefully checked the west line of said Haynie lot and I know it does extend 440 feet from the north line of said forty acres to the north right of way line of said road. I also talked to the land owners adjoining the Haynie lot and they agreed to the lines I ran.
