3412

STATE OF ALABAMA
SHELBY COUNTY

Before the undersigned authority personally appeared Roy Wright Kent, who is known to me, and who being by me first duly sworn, deposes and says:

That I am the owner of and in possession of all that portion of the NW $\frac{1}{4}$ of SW $\frac{1}{4}$ and NE $\frac{1}{4}$ of SW $\frac{1}{4}$, lying South of Buck Creek, in Section 11, and all that portion of the SE $\frac{1}{4}$ of said Section 11 which lies Southwest of Buck Creek and North of a line running East and West 227 yards South of the intersection of Buck Creek and the West line of said SE $\frac{1}{4}$. All the above land being in Township 21, Range 3 West, Shelby County, Alabama.

Cheney Lime and Cement Company owns none of this land, is not in possession of it and has not been for the last 15 or 20 years that I have known the property. It appears from the abstract that this land or portions thereof is being assessed by Cheney Lime and Cement Company, but as stated I am in possession of it and have owned it for many years. It is all in pasture except portions which are cultivated and has been so used for ten years of more prior hereto and continuously so. The tax assessment of Cheney Lime and Cement Company as affects this land is therefore erroneous.

+ Roy Wright Kent.

Sworn to and subscribed to before me
on this 8th day of July, 1957.
