Before me, Robert S. Glasgow, Jr., a Notary Public in and for the State of Alabama at Large, personally appeared Mrs. Minnie W. Story, who, being by me first duly sworn, deposeth and saith as follows:

I am familiar with the ownership and possession of the Weldon and the Kidd lands near Wilsonville, Alabama. To my personal knowledge, Mrs. Blanch Weldon and her predecessors in title have been in open, continuous and adverse possession of that part of the South half of Section 32, Township 20 South, Range 2 East, which lies north of Coosa River and south and west of Yellow Leaf Creek, and that part of the Southeast quarter of the Southeast quarter of Section 31, Township 20 South, Range 2 East, lying south and east of the Southern Railway Company's right of way. They have rented and leased sites for fishing or recreational cottages, collected the rents therefor, have grown timber on the land, and cultivated and rented for cultivation portions thereof. The land is reputed in the community to be the property of Mrs. Blanch Weldon. I never have heard of her title or right of possession being disputed or questioned.

The Kidd property is the South half of the Northeast quarter of the Southeast quarter of Section 31, Township 20 South, Range 2 East, and also that part of the West half of the Southwest quarter and that part of the Northeast quarter of the Southwest quarter north and west of the Southern Railroad Company right of way in Section 32, Township 20 South, Range 2 East. To my personal knowledge, T. B. Kidd and his predecessors in title, and his children since his death, have been in open, continuous, notorious and adverse possession of the said described lands for more than twenty years past. They have cultivated and rented for cultivation portions of the land, have grown and harvested timber on other portions, and have exercised every right of ownership during that period. I never have heard of their possession or right or title being questioned during that time.

I have no interest in either of the parcels of land described above, and make this statement simply as a matter of my personal knowledge.
