BOOK 188 PAGE 223

Before me, the undersigned authority, in and for said County and State, personally appeared Floyd Mooney, who, being known to me and being by me first duly sworn, deposes and says as follows:

That he was the grantee in that certain deed from the heirs of Pinkens Miner dated May 18, 1946 and recorded in the Probate Office of Shelby County, Alabama in Deed Book 126, page 505. Further deposing, affiant says that upon the execution and delivery of said deed that he moved upon the land described in said deed and farmed said property or rented the same to other persons who farmed said property under affiant each and every year up to and including this date. Further deposing, affiant says that he has assessed said land for taxes and paid taxes on the same each and every year since he has owned the same.

Further deposing, affiant says that he and those under him have been in the exclusive possession of said land during the entire time of his ownership and no person has held any part of said property during such time adverse to him, and he has never heard his title questioned in any way.

Witness my hand this 6th day of June, 1957.
