

Before me, Charles Harrison, the undersigned authority in and for said County in said State, personally appeared J. O. Anderson who, after being by me first duly sworn to speak the truth, deposes and says:

My name is J. O. Anderson. I am one and the same person who made an affidavit before Frances B. Rickerson, a Notary Public of Jefferson County, Alabama, which was dated January 14, 1956, and which was recorded in Deed Book 177, page 342 in the Probate Office of Shelby County, Alabama.

Affiant further says that all of the matters and things which he said in said affidavit regarding Lots 10, 11 and 12 of Block 204, according to Dunstan's Survey of Map of Calera, Alabama, applies equally and with full force and effect to Lot 13 of said Block 204. Affiant further says that through some inadvertence he failed to mention said Lot 13 in his affidavit.

Affiant further says that from the time said lots 10, 11, 12 and 13 in Block 204 were conveyed to him <sup>and</sup> Willie L. Chambless on June 20, 1942, as shown by deed recorded in Deed Book 113, page 411, in the Probate Office of Shelby County, Alabama, that affiant <sup>along with Mrs. Chambless</sup> went into immediate possession of said lots along with the other property described in said deed and affiant went upon said lots as often as once a month if not more often and kept "For Sale" signs posted thereon. During <sup>the</sup> entire portion of the time he has <sup>an interest in</sup> owned/said lots, he has kept fire off the property and has been careful to see that no one encroached on said lots.

Affiant further says that when Twin Oaks Land Company owned said lots along with other land, said Company sold the timber therefrom and the persons who purchased it were engaged for a period of several months cutting the timber and affiant was on and about said property during several times while the timber was being cut to see that it was being properly cut.

Affiant further says that during the years that he has owned said lots that no one has ever disputed his title or contested his possession nor, so far as he has ever heard, has the possession or the title of his predecessors in title ever been disputed or contested.
