My name is N. K. Waites. I have lived around the Harpersville community for the past 15 years and have all along been well acquainted with the hereinafter described lot and the persons in possession of it, said lot being described as follows:

Lot 14, Block 2, Morris Addition to Harpersville, Alabama in Shelby County, being located in the SE $\frac{1}{4}$  of Section 29, Township 19, Range 2 East, Shelby County, Alabama.

Affiant further says that said lot is approximately one-half acre in size and adjoins the South line of the Florida Short Route Highway and lies North of the ACL Railroad and is not far from the intersection of said highway and said railroad. Affiant further says that he understands that the lots in said proposed subdivision lie along the Florida Short Route Highway and that no streets or alleys were included in said subdivision. Said lot is situated in SE $\frac{1}{4}$  of Sec. 29, Township 19, Range 2 East, Shelby County, Ala. Affiant further says that only one lot was ever sold off containing a description referring to said subdivision and that no map of said subdivision has ever been filed for record and that the same was abandoned and it is affiant's information that no survey was ever made of any such subdivision.
