SHELBY COUNTY )

FILED 19 MARCH 1959

Before me, Oscar Harris, the undersigned authority in and for said County in said State, personally appeared Fred W. Bishop, who, after being first duly sworn by me to speak the truth, deposes and says:

My name is Fred W. Bishop. I formerly bargained with Clarence Bishop and Ida Bishop to purchase two acres of land in the Northwest corner of NE $\frac{1}{4}$  of NW $\frac{1}{4}$  of Section 27, Township 19, Range 2 West. Said two acres running 420 feet East and West and 210 feet North and South and being located in the Northwest corner of E $\frac{1}{2}$  of E $\frac{1}{2}$  of NW $\frac{1}{4}$  of Section 27, Township 19, Range 2 West.

Affiant further says that although he bargained to purchase said land he never actually obtained a deed to the same and that later on, with affiant's consent, the said Clarence Bishop and Ida Bishop sold said two acres to Vernon Bishop.

It has been called to affiant's attention that he executed a transmission line permit to Alabama Power Company dated February 10, 1948, being recorded in Deed Book 133, page 174, in the Probate Office of Shelby County, covering a transmission permit across two acres more or less in NE corner of NE $\frac{1}{4}$  of NW $\frac{1}{4}$  of said Section 27. Affiant says that the description contained in said permit was in error and that he never owned any interest in the two acres described therein.
