SHELBY COUNTY

Before me, Loudell Gay, the undersigned authority in and for said County in said State, personally appeared Robert Dalton Johnson, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Robert Dalton Johnson, being one and the same person as Robert D. Johnson. I am 34 years of age and am familiar with the following described land:

Beginning at the NW corner of the SE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 19, Township 18, Range 2 East, running south 1122 feet; thence east 660 feet; thence north 1122 feet; thence west 660 feet to the starting point, containing 17 acres, more or less;

Also the following parcel of land: Commencing at the NE corner of the Methodist Church lot; thence running east 248 feet; thence south 132 feet, more or less, to public road right of way; thence west with public road right of way 308 feet; thence NE 176 feet, more or less, to beginning point, being a part of the W $\frac{1}{2}$ of the SE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 19, Township 18, Range 2 East, subject to Dykes Mill public road running along south line of said lot;

Being situated in Shelby County, Alabama.

Affiant says he knows of his own knowledge that Fannie B. Johnson was the wife of J. R. Johnson on January 7, 1915, when C. W. Chessser and wife, M. D. Chessser conveyed certain land to J. R. Johnson and wife, as shown by deed recorded in Deed Book 79 Page 600 in the Probate Office of Shelby County, Alabama. Affiant further says that he is familiar with the land conveyed in said deed. With reference to the two acre parcel therein conveyed, affiant says it is one and the same parcel of land as that conveyed by W. L. Johnson and wife, to A. A. Johnson on November 19, 1918, as shown by deed recorded in Deed Book 140 page 316 in said Probate Office. Affiant further says that the south line of said two acre parcel of land runs along the north line of the public road referred to in said deed and that the south line of said road is the south line of SE $\frac{1}{4}$ of NW $\frac{1}{4}$ of said Section 19. Affiant says he has had the same surveyed two times and was with the Surveyor when he surveyed it, so he is familiar with the lines.

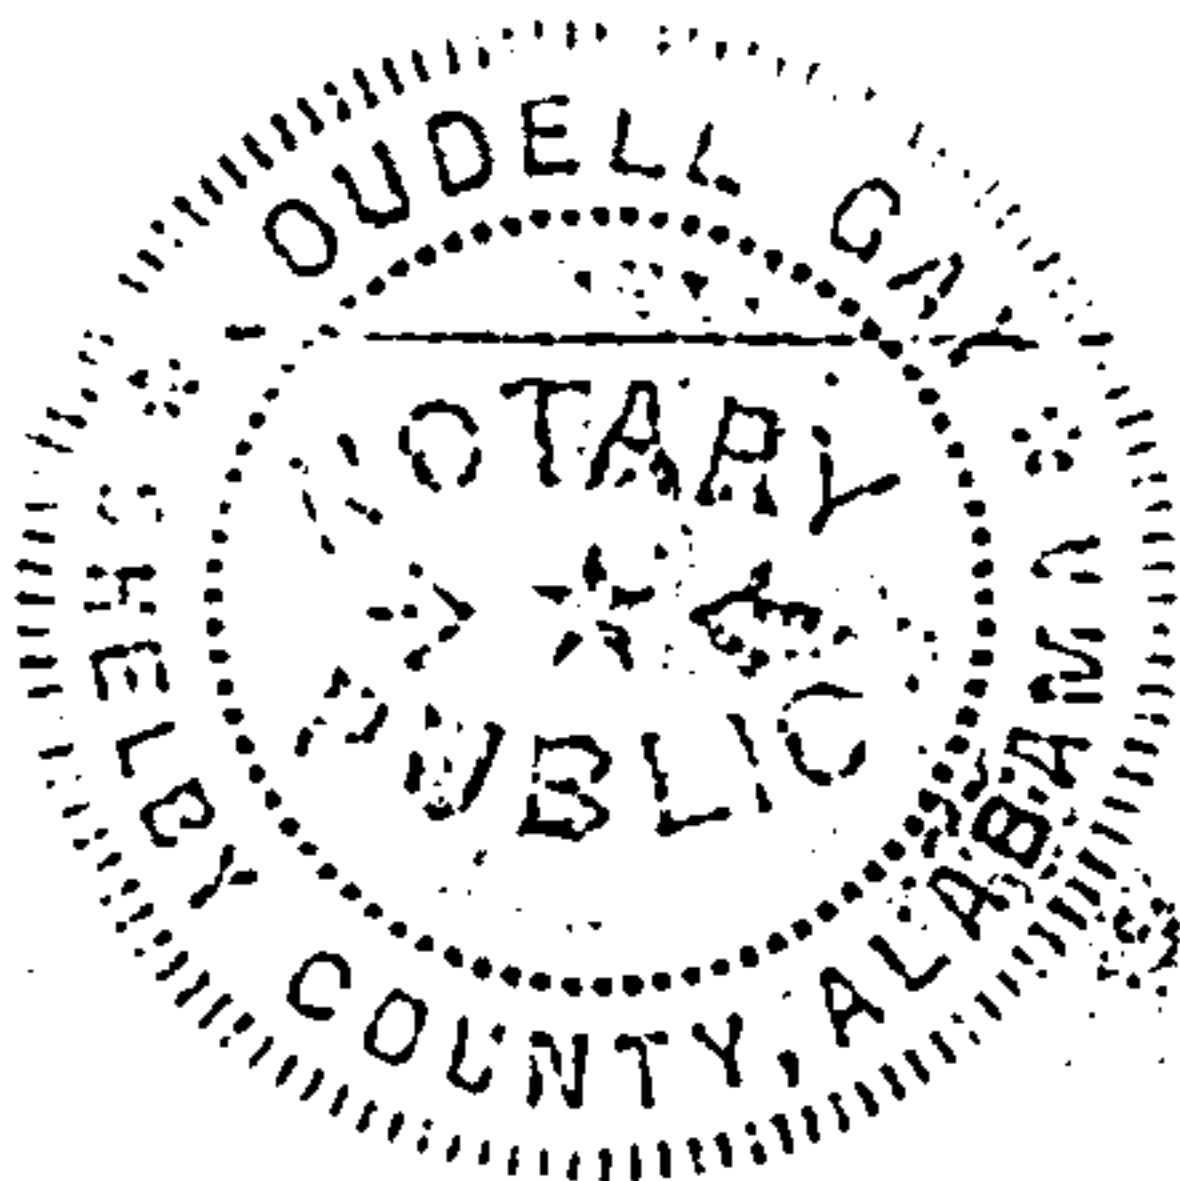

Affiant further says he is familiar with the corner known as the C. W. Chessser and W. B. Lawley corner referred to in a deed from W. L. Johnson and wife to A. A. Johnson dated February 1913, and recorded in Deed Book 140 Page 314 in said Probate Office and that said corner is the northeast corner of the lot conveyed by J. R. Johnson and wife to W. L. Johnson and A. A. Johnson in July 1915, as shown by deed recorded in Deed Book 79 page 602 in said Probate Office.

Affiant further says that he was present when that certain deed from W. L. Johnson and wife to Robert D. Johnson, affiant, was executed on May 27, 1946, as shown by deed recorded in Deed Book 125 page 579 in said Probate Office. Affiant says that said deed was executed in the presence of H. R. Justice, the Notary Public, and also in the presence of J. C. Justice, a subscribing witness.

Affiant further says that throughout all the years since he has known said land that he and his predecessors in title have been in the actual open and notorious possession of same and they have lived on the same and cultivated portions of it for a garden each and every year and no one has disputed their title or contested their possession.
