STATE OF ALABAMA

SHELBY COUNTY

Before me, Martha B. Joiner, the undersigned authority in and for said county, in said state, personally appeared Frank W. Wheeler, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Frank W. Wheeler. I am Alabama Registered Licensed Surveyor 3385 and am one and the same person who surveyed Nell Jones Fulton's lot in the town of Columbiana, Alabama, on March 25, 1959, as shown by map of said survey bearing said date. I have read the description contained in that certain deed from Robert M. Cleckler and wife, Kathleen W. Cleckler to Nell Jones Fulton dated January 8, 1951, and recorded in Deed Book 143 Page 512 in the Probate Office of Shelby County, Alabama, and I know that said lot conveyed to Nell Jones Fulton is one and the same lot as that surveyed by me. It has been called to my attention that the description in the deed to Nell Jones Fulton commences: "at the point of intersection on the southern edge of the pavement on East College Street with the west section line of Section 25, Township 21, Range 1 West, and run thence south along said section line a distance of 17 feet; run thence in an easterly direction and parallel with the southern line of the pavement on East College Street a distance of 16 feet to the point of beginning". It is my information that the paving on said street has been extended since said deed was executed and I know of my own knowledge that the point of beginning in said deed is one and the same as that shown on my said survey.
