AFFIDAVIT

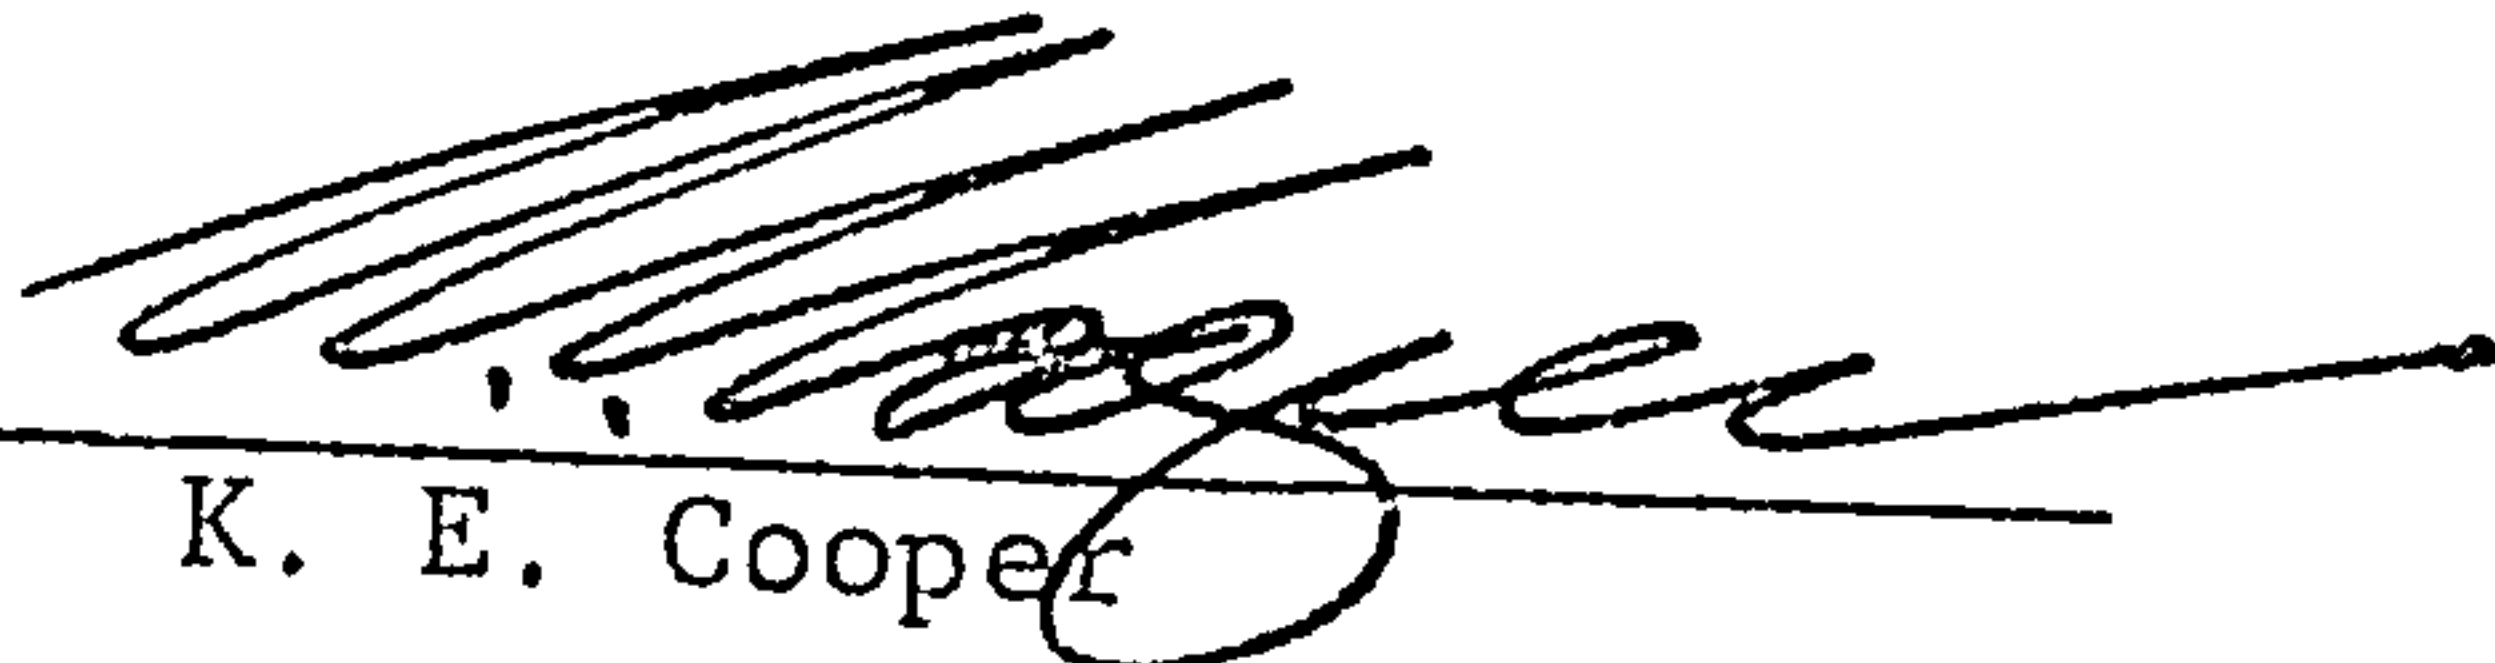

Before me, the undersigned, a Notary Public in and for said County, in said State, personally appeared K. E. Cooper, who being by me first duly sworn deposes on oath and says as follows:

I am K. E. Cooper of Jefferson County, Alabama. In October of 1947 I purchased certain property in Shelby County, Alabama, from the Register in Chancery by deed recorded in Deed Book in Volume 130 at Page 455 in the Office of the Judge of Probate of Shelby County, Alabama.

I am familiar with property in the southeast corner of Section 11, Township 20, Range 3 West, owned by F. E. Butler which adjoins a portion of the property acquired by me as stated on the South (at a point where my property is fenced) and lies East of the old Oxmoor Road and West of the East section line.

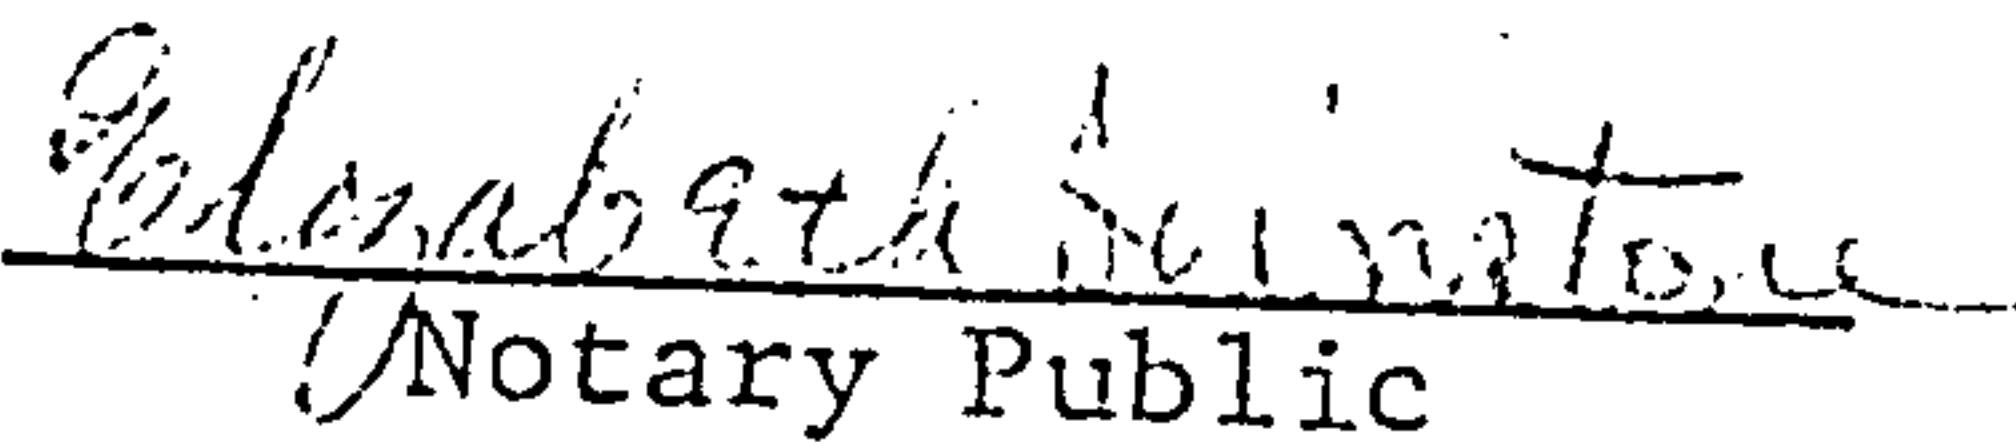

During the period of time I have been familiar with this property I have never known anyone but Butler to claim any interest in the same; except that for several years since around 1950 this property was subject to a lease sale contract in favor of Steven E. Dill who had possession, so I understand, under the lease sale contract. Later the property was reacquired by the Butlers. I am not familiar with Butler's title but do know that he has maintained a cabin located on the said property and has been in possession of the same openly and obviously except the time that Dill was in possession. I have never heard of anyone claiming against Butler and the

property occupied by him has been recognized as his by people in the community.
