

STATE OF ALABAMA

SHELBY COUNTY

Before me, Martha B. Joiner, the undersigned authority in and for said county in said State, personally appeared Jack T. Atchison, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Jack T. Atchison. I am Manager of the Shelby County Abstract Company. On November 17, 1959, I prepared an abstract covering the following described land:

O A part of Lot No. 4 according to the Original Plan of the town of Montevallo, Alabama, more particularly described as follows: Beginning at a point on the southwest side of Middle Street 151 feet northwest of the northernmost corner of Lot 6 according to the Original Plan of the town of Montevallo, Alabama; thence running in a northwest direction along the southwest side of Middle Street a distance of 75 feet to the lot formerly known as Mulkey lot, now belonging to Sims; thence in a southwesterly direction perpendicular to said Middle Street and along the southeast side of Sims lot a distance of 140 feet; thence in a southeasterly direction and parallel to Middle Street a distance of 75 feet; thence in a northeasterly direction and perpendicular to Middle Street a distance of 140 feet to point of beginning; being situated in Shelby County, Alabama.

The plat on page 1 of the abstract was made from an old map in my office made by a man named Quigley and also from maps and sketches left by W. J. Horsley, former owner of Shelby County Abstract Company. I have never actually been on the ground but the information in my office indicates the southeasterly line of Lot 4 according to Original Plan of Montevallo adjoins the northwesterly line of Lot 6.
