Before me, the undersigned Notary Public in and for Jefferson County, Alabama, personally appeared J. M. Keel who is known to me and who being by me first duly sworn, deposes and says as follows:

My name is J. M. Keel. I am a registered land surveyor in the State of Alabama, and I am the surveyor who surveyed and platted ( or under whose supervision was surveyed and platted ) the survey of a ReSurvey of George's Subdivision of Keystone, Sector Three as recorded in Map Book 4, Page 33 in the Probate Office of Shelby County, Alabama.

Upon further check of the property in this survey, I find a certain error was made in the dimension of one side of one lot in this survey. The correct length of the south line of Lot 12, Block 3 in said survey is 164.95 feet (instead of 114.95 feet). So far as I know, all other dimensions of the lots as shown on this recorded survey are correct.

  
J. M. Keel,  
Registered Surveyor No. 610.

Sworn to and subscribed before me  
on this the 22nd day of September, 1960

  
Ed. J. Badgley, Notary Public.
