STATE OF ALABAMA

SHELBY COUNTY

Personally came and appeared before the undersigned authority, a Notary Public in and for said County in said State, Rev. Persia Kidd, who, after being first by me duly sworn to speak the truth, deposeth and says:

My name is Rev. Persia Kidd, and I am 73 years of age, and have lived at Vincent, Alabama, all of my lifetime.

I have been pastor of the Baker Grove Baptist Church, Vincent, Alabama, for the past 33 years.

During my boyhood, my parents took me to church at the Mt. Olive Baptist Church at its old location, which was, to the best of my recollection, East of its present location.

I can remember when the new church was built on the property obtained from Mr. and Mrs. R. M. Borum, by deed dated August 20, 1895, and recorded in Deed Book 58, page 377, in the Office of Judge of Probate, Shelby County, Alabama. After this church was constructed, my parents took me to church at the new church, and the original church building remained on said property until about the year 1946, after World War II, when a new church was constructed on the property.

I know of my own personal knowledge that the Mt. Olive Baptist Church has maintained a church building on the property described in the survey of Mr. Frank W. Wheeler, a licensed surveyor, Registration No. 3385, dated November 14, 1960, since a few years after the deed referred to above was obtained from Mr. and Mrs. Borum, and that this property is the same property intended to be conveyed to the church by the deed referred to above.

I have never known of anyone claiming any right, title or interest in or to said land as described in said survey, adverse to the Mt. Olive Baptist Church, nor have I ever heard anyone dispute or question the title of the Mt. Olive Baptist Church to said property.

Rev. Persia Kidd

Sworn to and subscribed before me this 27th day of May, 1961.
