STATE OF ALABAMA I
:
SHELBY COUNTY I

Before me, the undersigned authority in and for said county in said State, personally appeared L. D. Birchfield, who is personally known to me and, who being by me first duly sworn deposes and says as follows, to-wit:

My name is L. D. Birchfield and I live in Shelby County, Alabama. I am 52 years of age. I have lived in Shelby County, Alabama for the past 21 years.

I am personally acquainted with the following described real estate and I have known the same for the past 21 years. Said property is described as follows:

A parcel of land situated in the North $\frac{1}{4}$ of the North $\frac{1}{4}$ of Section 12, Township 24 North, Range 12 East, Shelby County, Alabama, and more particularly described as follows; Begin at the N. E. Corner of said Section 12 and proceed in a Northwest direction along the North side of said Section a distance of 330.0 feet to the point of beginning of said tract, thence continue along the same line a distance of 1265.3 feet to the N.W. Corner of said Section, thence at an angle to the left of $115^{\circ} 54'$ and along the West side of said Section a distance of 1143.9 feet to a fence constructed by O. L. Logan and Richard Hamilton and by them agreed upon as a line separating their property, thence at an angle to the left of $79^{\circ} 27'$ and along said fence a distance of 1152.3 feet to an iron corner, thence at an angle to the left of $100^{\circ} 12'$ and parallel to the East side of said Section 12 a distance of 802.2 feet to point of beginning.

When I first became familiar with said land, same was owned by H. L. Reid. At that time, H. L. Reid was using said land for farming purposes. Said land has been used continuously since that time for farming purposes even to the present date. While said land was claimed by H. L. Reid, he exercised continuous acts of ownership over same assessing and paying taxes thereon, claiming the open, notorious, continuous, peaceful, hostile and adverse possession of same against the whole world. On the 21st day of October, 1950, O. L. Logan acquired title to said land. R. P. Logan now claims title to said land.

From the time I first became familiar with said land and to the present date R. P. Logan and those through whom he claims and holds title to said land have exercised continuous acts of ownership over same assessing and paying taxes thereon, claiming the open, notorious, continuous, peaceful, hostile,

and adverse possession of same against the whole world and I have never heard the title of the said R. P. Logan or those through whom he claims title to said land to be questioned.
