AFFIDAVIT

Conrad M. Fowler
JUDGE OF PROBATE

Personally appeared before me the undersigned authority
in and for said county and state, Arlie Swift, who being by me
first duly sworn deposes and says:

My name is Arlie Swift. I am 90 years of age and I live
in Shelby County, Alabama. My husband's name was Gene Swift and
we had several children. One of our children, Geneva Swift,
also known as Gene Swift, bought approximately one and three
quarter acres of land in August, 1937, from Lee Byers and wife.
I lived with my said son, Geneva Swift, in a house located on
said land since the time he bought it until it was destroyed in
a tornado on April 18, 1952. My son, Geneva Swift, with his
money and at his sole expense rebuilt the house that was blown
down in said storm. I do not have any interest nor do I claim
any right or title in this property as it is the sole property
of my son, Geneva Swift, and none of my other children have any
claim to the land or the houses located thereon. The road that
comes into Geneva Swift's property from the old Montgomery
Highway was there when he bought the property from Lee Byers and
said road has remained and has been used constantly from the
date Geneva Swift bought the property to the present time. I
have never heard anyone or heard of anyone claiming any right,
title or interest in the above mentioned one and three quarter
acres of land and the houses located thereon in all the years
that I lived on said property. I no longer live on said property,
being too old to live by myself I moved from there to the home
of one of my daughters some six or eight months before the date
of this affidavit.
