

SHELBY COUNTY

My name is Samuel Horton. I am 39 years of age and am the owner of and am familiar with the following described land:

Part of the N $\frac{1}{2}$ of NE $\frac{1}{4}$ of Section 34, Township 21 South, Range 1 West, described as follows: Begin at the intersection of the west line of the NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 34 with the north right of way line of CaleraColumbiana Highway; thence run in a westerly direction along the north line of said Highway 85 feet to a point; thence in a northeasterly direction 510 feet to a point on the west line of the NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 34; thence in an easterly direction and parallel with said Highway 435 feet; thence in a southerly direction 420 feet to the north line of said Highway right of way; thence in a westerly direction along the north line of said Highway 474 feet to the point of beginning; being situated in Shelby County, Alabama.

With reference to a deed from J. T. Johnson and Ethel Johnson to L. R. Talton dated August 10, 1948, affiant says that said Talton lot lies west of and adjoins affiant's west line and that a fence marks said line and there is no overlapage of affiant's lot and said Talton lot.

Affiant further says the Galera-Columbiana Highway runs almost straight and runs slightly southwesterly in front of the above described lot and the same does not start making a curve back north until it passes affiant's southwest corner. Affiant says he has checked the east line of his lot and knows that it is 420 feet and has also checked his west line and knows it is 520 feet.

Regarding a lot formerly owned by Eula Mizzell, affiant says the same lies north of and adjoins affiant's lot and there is no overlapage on said lots.
