STATE OF ALABAMA

SHELBY COUNTY

Before me, Martha B. Joiner, the undersigned authority in and for said County, in said State, personally appeared Paul White, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Paul White. I have had called to my attention a judgment in Judgment Record H. Page 180 in the Probate Office of Shelby County, Alabama, which is against William P. White. I don't know William P. White and my name is only Paul White and said judgment is not against me.

I know Walter Horton and know he is one and the same person as W. E. Horton.

Affiant further says there has been called to his attention a mortgage from James Morris White and wife to The First Bank of Alabaster, dated March 26, 1956, covering a tract of land described as beginning at the northwest corner of the SW $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 32, Township 21, Range 1 West and running east along the forty line 210 feet; thence south and parallel with the west line of said forty 240 feet to the point of beginning. Affiant says this should read 250 feet to the point of beginning and that there was an error in the description of the mortgage. Affiant further says, however, that said mortgage has been paid.

Affiant further says that R. F. Horton actually bargained to sell to Samuel Horton that certain land described in a deed from said parties to Mildred Albright dated November 3, 1951, and recorded in Deed Book 149 page 176 in said Probate Office, but he did not actually give him a deed to it, so when Mildred Albright purchased the land both parties, with their wives joined in the execution of the deed, as mentioned above.
