STATE OF ALABAMA
SHELBY COUNTY

Before me, Martha B. Joiner, the undersigned authority in and for said County, in said State, personally appeared Lula Bell Tanksley, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Lula Bell Tanksley. I am familiar with the lot which is referred to as the Emma Lee Tanksley lot in that certain deed from Junior Young and wife to Cleve Tolbert dated February 10, 1953, and recorded in Deed Book 158 page 329 in the Probate Office of Shelby County, Alabama. The Tolbert lot lies north of and across the road from my land and does not touch my land.

Regarding a lot conveyed by Cleave Tolbert to L. G. Harris on June 10, 1957, affiant says she knows where the lot is located and it is situated some distance from affiant's hereinafter described property and does not touch her property at any place. Cleave Tolbert was a widower on August 29, 1961, when he made a deed to affiant.

Regarding a lot conveyed by J. V. Vanderslice and wife to John Daniel and Callie Daniel, as shown by deed book 203 page 208, affiant says she is familiar with this lot and knows the same lies north and east of affiant's property. In fact, the lot John and Callie Daniel purchased from the Vanderslices adjoins and lies immediately north of the lot which I conveyed or intended to convey to John and Callie Daniel.

There has been called to affiant's attention a deed from her and her deceased husband to John and Callie Daniel in which we purported to convey a lot. Affiant says since making said deed she has had Mr. Alton Young, Registered Land Surveyor to survey her property and he also surveyed the lot she and her husband conveyed to John and Callie Daniel. Affiant says it was their intention to convey the following described lot and this is the lot John and Callie Daniel have in their possession. Said lot intended to have been conveyed is described as follows:

Commence at the southeast corner of the NE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 1, Township 21 South, Range 3 West and run north along the east boundary line of said quarter-quarter section 208.71 feet for a point of beginning; thence continue north along said quarter-quarter line 208.71 feet; thence turn an angle of 88 deg. 10 $\frac{1}{2}$ min. to the left and run westerly 156.54 feet; thence turn an angle of 91 deg. 49 $\frac{1}{2}$ min. to the left and run southerly for 208.71 feet; thence turn an angle of 88 deg. 10 $\frac{1}{2}$ min. to the left and run easterly 156.54 feet to the point of beginning; situated in Shelby County, Alabama.

The following described lot is the lot I own and have in possession according to a survey recently made by the said Alton Young, viz:

Commence at the southeast corner of the NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 1, Township 21 South, Range 3 West and run north along the east boundary line of said NE $\frac{1}{4}$ of NW $\frac{1}{4}$ a distance of 208.71 feet to the southeast corner of John & Callie Daniel lot; thence continue north along the Daniel lot 208.71 feet; thence turn an angle of 88 deg. 10 $\frac{1}{2}$ min. to the left and run westerly 156.54 feet to the point of beginning of the lot herein described; thence continue west in the same direction for a distance of 104.34 feet; thence turn an angle of 91 deg. 49 $\frac{1}{2}$ min. to the left and run southerly for 208.71 feet; thence turn an angle of 88 deg. 10 $\frac{1}{2}$ min. to left and run easterly 104.34 feet to the said Daniel lot; thence run in a northerly direction and parallel with the east line of said forty acres, a distance of 208.71 feet to the point of beginning; being situated in Shelby County, Alabama.
