STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned authority in and for said County, in said State, personally appeared Lester Crawford, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Lester Crawford. I am 71 years of age and have lived in Shelby, Alabama, for the past 62 years and have all along been well acquainted with the following described land and the persons in possession of it. Said land being described as follows:

Lots 1 to 8, both inclusive, in Block 113 according to Ed S. Safford's map of Shelby, Alabama, as recorded in Map Book 3 on pages 38 and 47 in the Probate Office of Shelby County, Alabama.

Affiant says he recalls that John C. Williams built a house on said property about the year 1908 or 1909 and without measuring, it is affiant's impression that the house is situated on Lot 4 and a part of Lot 3. Affiant says that John C. Williams moved into said house immediately after he purchased it and lived there until his death and later Miss Ada Williams lived on it until her death recently. Ada Williams purchased said lot 1 in 1927 and drilled a well on said land and she and her father, John C. Williams lived in said dwelling house and had Lots 1 through 4 fenced in about the year 1931. Said fence has been there continuously until this very day. Ada Williams purchased Lots 5, 6 and 7 in 1948 from Shelby Iron Company and she went into immediate possession of them and she, along with her father, who owned Lot 8, her father having purchased it in 1909, also continued in the possession of the lots and kept the weeds cut therefrom and kept the same cleared each and every year until the death of John C Williams and then until the death of Ada Williams recently.

Affiant further says he has never heard of anyone contesting the title or disputing the possession of Ada Williams or her predecessors in title.
