Before me, the undersigned authority, in and for said County and State, personally appeared Billy Brasher, who, after being duly sworn, to speak the truth, deposes and says as follows:

My name is Billy Brasher; I am 31 years of age and reside at Calera, Alabama. I am the son of Cleveland Brasher and Bessie Brasher. I have been intimately acquainted with the occupation, use and possession of the following described property for a period of 21 years:

A lot in Town of Columbiana being a part of the SW $\frac{1}{4}$  of SE $\frac{1}{4}$  of Section 23, Township 21 South, Range 1 West, bounded on the NW by the Southern Railroad right of way; on the West by lot belonging to Gulf States Paper Company (formerly Shelby Iron Company); on the South by lot formerly known as O'Hara lot; and on the East by a Branch, and being further known as Lot 139 according to Horsley's Map of Town of Columbiana, Alabama. Situated in Shelby County, Alabama.

I was born on the above described property and at the time of my birth in 1933 my mother and father were residing on the above described property and I was born in the house located thereon. From the time of my birth and for as long as I can remember my mother and father occupied the above described property and lived in the dwelling thereon up until the time of my father's death in 1952. The possession of my mother and father was actual, adverse, hostile, open and notorious and exclusive, and has so continued for period in excess of 20 years. My father died in 1952 leaving as his sole children and heirs, Dorothy Brasher Campoe, Roy G. Brasher, James Oliver Brasher and Billy Brasher, affiant. My father had no other children or heirs at any time. My mother, Bessie Brasher, died in 1956 leaving the aforesaid named children, to-wit: Dorothy Brasher Campoe, Roy G. Brasher, James Oliver Brasher and Billy Brasher, affiant. In addition to the last named children, my mother also had one other child by a prior marriage, which child is Edward H. Glass. My mother died in 1956 in New York while visiting my ~~mother~~<sup>SISTER</sup>, Dorothy Brasher Campoe. At the time of her death she was a bona fide resident citizen of Richmond County, Georgia. My mother died leaving a Will

in which she named affiant, as her executor. By the terms of the  
aforementioned Will, my mother willed all of her real property, to  
affiant and affiant's siter, Dorothy Brasher Campoe. This will was  
duly admitted to probate in Richmond County, Georgia, and affiant  
served as executor of the said last will and testament of Bessie  
Brasher. During the more than 20 years that I have been intimately  
acquainted with the occupation, use and possession of the above  
described tract of land, I know that my mother and father, and lessees  
under my mother and father, have occupied the same, actually, adversely,  
openly, continuously, and notoriously for a period in excess of said  
20 years. During the time that I have known said land I have never  
heard the title of my mother and father or their predecessors in title  
questioned in any way.
