STATE OF ALABAMA
SHELBY COUNTY

Before me, a Notary Public in and for said County and State, personally appeared Marshall Lambert, who is known to me, and who being by me first duly sworn deposes and says as follows:

My name is Marshall Lambert. I am seventy-one years of age and have lived in the vicinity of the following described property since about 1915, said property being described more particularly as follows:

A portion of the NW $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 22, Township 20 South, Range 3 West in Shelby County, Alabama. Begin at Southwest corner of Mrs. Belle Flower's lot, (formerly the T. A. Johnsey's Home Lot) and run southward about 350 feet to a ditch or drain running Eastward; thence South eastward along said ditch until it diverges more to the Southeast about 250 feet, and continue along said ditch about 375 feet to a one-fourth mile line; thence North along said one-fourth mile line 528 feet to the Southeast corner of a lot of T. S. Wallace (formerly, and formerly owned by Pete Jingle); thence Westward along the South line of said lot to the Southeast corner of Mrs. Belle Flowers Lot; thence continue westward along the South side of said Flowers lot, to point of beginning. Also one lot in the NW $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 22, Township 20 South, Range 3 West: Begin at the Northeast corner of said Mrs. Belle Flowers lot and run East 208 feet to the one-fourth mile line; thence South along said line 226 feet to land formerly owned by T. S. Wallace; thence West along the North side of said lot (formerly owned by T. W. Wallace) 208 feet to the Southeast corner of said Mrs. Belle Flowers lot; thence North along the East side of said Flowers lot 226 feet to point of beginning, containing one acre more or less, formerly known as the "Pete Jingle lot".

When I first remember the said property, it was owned and possessed by T. L. Wallace, prior to 1920. Mr. T. L. Wallace died about 1935, leaving only two children, T. S. Wallace, and Estelle W. Doty. Said Estelle Wallace Doty conveyed her interest in said property as an heir of T. L. Wallace to her said brother, T. S. Wallace, and said T. S. Wallace conveyed said property to C. J. Sweat in 1943.

Said C. J. Sweat built a house on said property before he conveyed said property to W. L. Wilson in 1945. Said W. L. Wilson has resided in said house since 1945 and until the present date.

Said W. L. Wilson has recently conveyed a portion of said property to his daughter, ^{pose} Mary Wilson Boatright, and her husband, William E. Boatright.

I know of my own personal knowledge that said T. L. Wallace and his successors in title, as named and designated above, have been in the open, continuous, notorious, undisturbed, peaceable, exclusive, hostile, actual adverse possession of said property since prior to 1920 and until the present date. I have never heard anyone question the title, ownership or possession of said T. L. Wallace and his said successors in title.
