STATE OF ALABAMA)
SHELBY COUNTY)

Personally appeared before me, the undersigned authority, in and for said State and County, FRANK HEAD, who first being duly sworn, deposes and says that he is a resident citizen of Columbiana, Shelby County, Alabama; that he was reared on the Head family place at Wilton, Shelby County, Alabama; that he is over 60 years of age and has and does often visit his said old home place which is in the possession of his sisters and nephews; that he has known the E $\frac{1}{2}$ of the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 17, Township 24, Range 12 East, Shelby County, Alabama all of his life. Affiant further says that the records in the Probate Office of Shelby County show that Paul O. Luck and R. Brewer purchased this 20 acres of land from the State of Alabama on February 28, 1928, and that R. Brewer later conveyed an undivided 1/2 interest to Lena Brewer who later, in 1952, conveyed her undivided 1/2 interest to Harris M. Gordon. Affiant further says that Luck and Brewer went into the immediate possession of the said lands in 1928 and that they and their successors in title have been in the actual, hostile, open and notorious, continuous and exclusive possession of said lands claiming them as their own against all the world. Affiant further says that Paul O. Luck died in 1960 and Clarice W. Luck, his widow was devised his interest in the said lands.

Affiant further says that up until 1955 Mr. Luck looked after the lands and made numerous trips there to check on the forest fires and on timber cutting and possible trespass; that these functions were carried on by Mr. Gordon after 1955; that during their absence they employed Mr. Grady Lucas, who lived on adjoining property, to look after the said 20 acres of land; and that in the neighborhood of said lands, it was common knowledge that Luck and Gordon and their predecessors in title were in possession of and claimed to own the said lands and that he never heard their title to the said lands questioned in any way.
