STATE OF ALABAMA

SHELBY COUNTY

Before me, a Notary Public in and for said County and State, personally appeared H. P. Seifert, who is known to me, and who being by me first duly sworn, deposes and says as follows:

My name is H. P. Seifert. I am an unmarried man and reside at Route 1, Leeds, Shelby County, Alabama.

I am familiar with the ownership and possession of the following described property:

Begin at the Northeast corner of NW $\frac{1}{4}$ of SW $\frac{1}{4}$ Section 17, Township 19, Range 1 West, run thence West to the Northwest corner of such forty; thence South to the Southwest corner of such forty; thence East along the forty line 660 feet; thence North at a right angle 500 feet; thence East 127.6 feet to Schatz corner; thence North 34 deg. 34 min. East along the Schatz line 879.8 feet to a stop; thence North 122.3 feet to the point of beginning, containing 27 acres more or less, less parcel to George Huddleston described at Deed Book 132 at page 415, Office of Judge of Probate, Shelby County, Ala.

A parcel of land in NE $\frac{1}{4}$ of SW $\frac{1}{4}$, Section 17, Township 19, Range 1 West more particularly described as follows: Begin at the Northwest corner of such NE $\frac{1}{4}$ of SW $\frac{1}{4}$ run thence South 122.3 feet to Schatz line; run thence North 35 deg. 10 min. East 82.2 feet to the road; thence North along such road to the North line of such NE $\frac{1}{4}$ of SW $\frac{1}{4}$; run thence West along such line 72 feet, more or less to the point of beginning.

Said property is owned by Mr. James T. Brasher and his wife, Mrs. Mary Ella Brasher. I do not own any part of said property or any interest therein.

It has been called to my attention that recently I signed a transmission line permit to the Alabama Power Company which is recorded in Deed Book 236 at page 188, Office of the Judge of Probate of Shelby County, Alabama, and that the description of property contained in said permit overlaps or encroaches in some respects on the above described property. Any such encroachments or overlappage contained in any such transmission line permit was unintentional on my part, and was a mistake.
