STATE OF ALABAMA
SHELBY COUNTY

Before me, a Notary Public in and for said County, and State personally appeared E. D. Holliday, who is known to me, and who being by me first duly sworn, deposes and says as follows:

My name is E. D. Holliday. I am 88 years of age and reside in Shelby County, Alabama.

I have been personally familiar with the ownership and possession of the following described property for many years:

All that part of the South half of SE $\frac{1}{4}$ of Section 5, Township 18 South, Range 1 East that lies South of the Old Columbiana Road, excepting right of way of New Paved Road, Minerals and mining rights excepted.

Also, all that part of the NE $\frac{1}{4}$ of Section 8, Township 18 South, Range 1 East, except that part which lies North of the old Columbiana Road, also excepting right of way of New Paved Road.

Also, the NW $\frac{1}{4}$ of SE $\frac{1}{4}$ and the North 30 acres of the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 8, Township 18 South, Range 1 East.

Except right of way as described in Deed Book 89 on page 454, Office of Judge of Probate, Shelby County, Alabama.

I have been familiar with the ownership and possession of said property since I moved in the vicinity of said property in 1916. I have lived in the vicinity of said property since 1916 and until the present date.

I remember when George A. McAllister bought said property as part of a larger parcel in 1933. Said George A. McAllister conveyed said property by will to his sisters, and the surviving sister then conveyed said property in 1949 to Joe T. Parker, Jerrold F. Parker, and Emmett H Parker, who have owned and possessed the same since.

I know of my own personal knowledge that said George A. McAllister and his successors in title specified above have been in the actual, open, notorious, continuous, actual, undisturbed, exclusive, adverse possession of all of said property since 1933 and until the present date. No other person has claimed or exercised any interest or possession in said property during said period of time except said George A. McAllister and his said successors in title. Emmett H. Parker and Joe T. Parker live on this property at the present time and have lived on said property since they bought it in 1949. There has been a house on this property occupied by George A. McAllister or his successors in title or their tenants since 1933.

W. C. Boudoin's property lies to the North of the Old Columbiana Road. He owns nor claims no property south of said Old Columbiana Road, said Old Columbiana Road being the northern boundary of the above described property.

It has been called to my attention that I previously made an affidavit on July 19, 1960, which is recorded in Deed Book 210 at pages 214 and 215, Office of Judge of Probate of Shelby County, Alabama. I have re-read this affidavit, and I state that I did not intend to imply thereby that James Bell, nor any other person other than the said George A. McAllister and his successors in title named above, owned or claimed the above described property. The property of James Bell to which I intended to refer in said affidavit of 1960 adjoins the above described property--it was originally a part of the George A. McAllister parcel, but does not encroach on the above described property.
