STATE OF ALABAMA)

SHELBY COUNTY)

Before me, the undersigned authority, a Notary Public in and for said County and State personally appeared Felix Kendrick who, after being by me duly sworn to speak the truth deposes and says as follows:

My name is Felix Kendrick. I am 62 years of age and reside at Route 1, Chelsea, Alabama. I have been intimately familiar with the occupation and use and possession of the hereinafter described land for a period in excess of 50 years, to-wit:

All that part of the NW $\frac{1}{4}$ of SE $\frac{1}{4}$ and all that part of the SW $\frac{1}{4}$ of NE $\frac{1}{4}$ lying Southeast of a County paved road and Northeast of a line which line begins at the SE corner of the NW $\frac{1}{4}$ of SE $\frac{1}{4}$ and runs to the Northwest corner of the SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 8, Township 20 South, Range 1 West.

Also the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ Section 8, Township 20 South, Range 1 West, except Highway right of way.

~~Also all that part of the NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 8, Township 20 South, Range 1 West, lying west of County Highway right of way.~~

The above land was deeded to me from my Father, S. R. Kendrick and my Mother, E. A. Kendrick, on February 7, 1946, by deed recorded in Deed Book 126 at page 274 in the Probate Records of Shelby County, Alabama. For many years prior to February 7, 1946, the above described land had been owned by my Father and Mother and possessed by them. At the time said property was deeded to me as aforesaid, there was a fence surrounding all of the above described property and the same was under said common fence. I have lived in the residence located on the above property all my life and immediately after I was deeded said property as aforesaid, I went into the actual, hostile, open, adverse, continuous, and exclusive possession of said property. From February 7, 1946, up to and including the date of this affidavit I have continuously lived and resided in the dwelling situated on the above described property and have possessed all of said property as aforesaid.

In May of 1962, I conveyed an easement to Colonial Pipeline Company over a part of the NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 8, Township 20, Range 1 West. When this pipeline was placed over said property in that year the fence around that portion of the above described property which lies in the last mentioned quarter section was taken down. All of the above described property, however, has continued in my possession as aforesaid up to and including the present date. Since

February 7, 1946, when I received a deed to the above property as stated above, I have been in the continuous, exclusive, hostile, adverse, and notorious possession of said property and have lived thereon during all of said time and have periodically grazed livestock and cattle on said property and have otherwise so possessed the same. During the more than 50 years I have known said property the same has been in the continuous, actual, adverse, hostile, exclusive, and notorious possession of myself and my predecessors in title and no other person, firm, or corporation has been in possession of said property or any part thereof or ascertained any title thereto. I have never heard my title disputed or questioned in any way.

My father, S. R. Kendrick, died approximately six years ago and left as his sole surviving children and heirs the following: Alice Kendrick Armstrong, a widow, Elsie Kendrick Shirley, Alvis Kendrick, and your affiant.
