THE STATE OF ALABAMA, Coosa River Parcel 1793 SHELBY County
KNOW ALL MEN BY THESE PRESENTS, That Wo, Maburn E. Stricklin and wife
<u>Margaret S. Stricklin</u>
(herein sometimes called Grantors), for and in consideration of
Fifty and No/100
Fifty and No/100 ———————————————————————————————————
acknowledged, hereby grant, bargain, sell and convey unto Alabama Power Company the lands located in
Shelby County, Alabama, which are described on the attached sheet marked Exhibit A, which is hereby made a part hereof. Whereas, Grantee contemplates the construction of dams across the Coosa River either upstream or downstream from said lands or both upstream and downstream from said lands for the manufacture of electricity, which said dams and the pools of water created thereby are likely to cause the lands herein conveyed or a portion thereof to be flooded or covered with water at intervals or continuously and may result in other consequential or incidental damages; Now, therefore, for the consideration recited above Grantors further grant, bargain, sell and convey unto Grantee the right to construct, maintain, and operate such dams for the manufacture of electricity, and the consideration paid pursuant to the terms of this
instrument includes and is accepted in full compensation for all consequences arising therefrom, to Grantors, their heirs and assigns, and to their remaining and adjoining lands, as well as from the operation of the power plant or plants of Grantee, provided, however, this clause shall not be deemed to grant unto Grantee the right to flood any of such remaining and adjoining lands other than as a result of wave action. TO HAVE AND TO HOLD to Alabama Power Company, its successors and assigns, forever. And Grantors covenant with Grantee, its successors and assigns, that Grantors are lawfully seized in fee of the lands herein-
above described; that such lands are free from all encumbrances except the lien for ad valorem taxes use October 1, 19
Grantors or any of them or to their personal representative or, at the option of Grantee, to
Contral State Bank Bank, of Calera, Alabama for the account of
Grantors or any of them or their personal representative, on or before the 23rd day of September 1966,
the further sum of One Hundred Fifty and No/100 Dollars (\$ 150.00), for the fee simple title, satisfactory to Grantee's attorneys, to the lands hereby conveyed and at the same rate for any proportionate interest less than the entire fee simple title. For the purpose of adjustments in such further sum because of less than the entire fee
simple title being conveyed, the purchase price of the lands conveyed is considered to be \$200.00. In the event such condition subsequent is not satisfied, this conveyance and the title, rights and interests herein conveyed shall be null and void, and the consideration presently paid shall be forfeited to Grantors; but, there shall be no obligation upon Grantee or its successors or assigns to pay or tender such sum of money.
Grantors covenant to execute receipts and other instruments at the time of payment of such further sum of money, as Grantee may deem necessary. Grantors further covenant to remove defects in the fee simple title to the lands herein conveyed, if any there be, and if they
fail to do so on or before the 23rd day of Soptembor, 1966, then the time within which such sum of money may be paid or tendered shall be extended at the option of Grantee until thirty days after such defects are removed.
While it is the intent of Grantors to convey unto Grantee by this instrument the lands, rights, interests and easements hereinahove described, subject to such condition subsequent, it is understood between Grantors and Grantee that Grantee does not desire exclusive possession of the lands herein conveyed immediately, that Grantors may retain possession of such
land and that Grantors shall assess for and pay the taxes on such lands until the LSt day of July
