

THE STATE OF ALABAMA,

Shelby County }

KNOW ALL MEN BY THESE PRESENTS, That Mr. Annie Mason, a
single woman(herein sometimes called Grantors), for and in consideration of Three Hundred and
70/100 Dollars, (\$ 300),
to them in hand paid by Alabama Power Company, a corporation (herein sometimes called Grantee), the receipt of which is hereby
acknowledged, hereby grant, bargain, sell and convey unto Alabama Power Company the lands located inShelby County, Alabama, which are described on the attached sheet marked Exhibit A, which
is hereby made a part hereof.Whereas, Grantee contemplates the construction of dams across the Coosa River either upstream or downstream from
said lands or both upstream and downstream from said lands for the manufacture of electricity, which said dams and the
pools of water created thereby are likely to cause the lands herein conveyed or a portion thereof to be flooded or covered
with water at intervals or continuously and may result in other consequential or incidental damages; Now, therefore, for
the consideration recited above Grantors further grant, bargain, sell and convey unto Grantee the right to construct, main-
tain, and operate such dams for the manufacture of electricity, and the consideration paid pursuant to the terms of this
instrument includes and is accepted in full compensation for all consequences arising therefrom, to Grantors, their heirs and
assigns, and to their remaining and adjoining lands, as well as from the operation of the power plant or plants of Grantee,
provided, however, this clause shall not be deemed to grant unto Grantee the right to flood any of such remaining and
adjoining lands other than as a result of wave action.

TO HAVE AND TO HOLD to Alabama Power Company, its successors and assigns, forever.

And Grantors covenant with Grantee, its successors and assigns, that Grantors are lawfully seized in fee of the lands herein-

above described; that such lands are free from all encumbrances except the lien for ad valorem taxes due October 1, 1966;
that Grantors have a good right to sell and convey the lands herein granted to Grantee, its successors and assigns, and that Grantors
and their successors and assigns will warrant and defend such lands to Grantee, its successors and assigns, forever, against the
lawful claims and demands of all persons.But this conveyance is made upon the condition subsequent that Grantee pay or tender or cause to be paid or tendered to
Grantors or any of them or to their personal representative or, at the option of Grantee, to The Birmingham
Trust National Bank, of Birmingham, Alabama, for the account of
Grantors or any of them or their personal representative, on or before the 29th December, 1966,
the further sum of One Thousand Seven Hundred and 70/100 Dollars (\$1700),
for the fee simple title, satisfactory to Grantee's attorneys, to the lands hereby conveyed and at the same rate for any proportionate
interest less than the entire fee simple title. For the purpose of adjustments in such further sum because of less than the entire fee
simple title being conveyed, the purchase price of the lands conveyed is considered to be \$2000. In the event
such condition subsequent is not satisfied, this conveyance and the title, rights and interests herein conveyed shall be null and void,
and the consideration presently paid shall be forfeited to Grantors; but, there shall be no obligation upon Grantee or its successors
or assigns to pay or tender such sum of money.Grantors covenant to execute receipts and other instruments at the time of payment of such further sum of money, as Grantee
may deem necessary.Grantors further covenant to remove defects in the fee simple title to the lands herein conveyed, if any there be, and if they
fail to do so on or before the 29th day of October, 1966, then the time within which
such sum of money may be paid or tendered shall be extended at the option of Grantee until thirty days after such defects are
removed.While it is the intent of Grantors to convey unto Grantee by this instrument the lands, rights, interests and easements
hereinabove described, subject to such condition subsequent, it is understood between Grantors and Grantee that Grantee
does not desire exclusive possession of the lands herein conveyed immediately, that Grantors may retain possession of suchland and that Grantors shall assess for and pay the taxes on such lands until the 1st day of July, 1966,
or until such further sum of money is paid or tendered as provided herein, whichever occurs last; but Grantee may at any
time within such period, enter upon such lands and make topographical and geological surveys and examinations thereof and
conduct clearing operations thereon without liability for damages in so doing.Reference to Grantors shall include Grantors' heirs, executors, administrators and assigns, and reference to Grantee shall in-
clude its successors and assigns.
