STATE OF ALABAMA
SHELBY COUNTY

Before me, L. E. Parker, a Notary Public in and for the State of Alabama at Large, personally appeared Britt Ingram, who is known to me and after first being duly sworn, deposes and says as follows.

My name is Britt Ingram. I am 60 years of age and reside in Shelby County, Alabama. I have been familiar with the following described land and have known its possessors for more than 40 years. This land is best described as:

The Southeast Quarter of Northwest Quarter (SE $\frac{1}{4}$ of NW $\frac{1}{4}$), Section 34, Township 21 South, Range 1 East, Shelby County, Alabama.

I know that the above land is divided between three owners. Shelby County owns certain roads and right of ways for roads. Homer S. Talton owns a $\frac{3}{4}$ acre tract of land located on the West side of this forty between the West 40 line and Beeswax Creek. (This $\frac{3}{4}$ acre parcel was separated from a larger tract to allow adjacent land owners access to the Creek). William W. Barnett is in possession of all the remaining portion of this forty under the claim of ownership.

The above named land owners have been in possession of their respective land for several years. The boundary lines and corners are firmly established and there has been no dispute among the said owners.
