STATE OF ALABAMA

SHELBY COUNTY

Before me, a Notary Public in and for said County and State, personally appeared Frank W. Wheeler, who is known to me and who being by me first duly sworn, deposes and says as follows:

My name is Frank W. Wheeler. I am 40 years of age and reside at Route 1, Wilsonville, Alabama.

I am a Registered Land Surveyor by profession, and I recently prepared for Dr. Donald S. White and wife, Mrs. Emily E. White, a description of a thirty foot right of way to be dedicated as a public road leading in a Westerly direction from Shelby County Highway No. 55 near the St. Clair County line. It is my understanding that said description which I prepared was used in a deed dedicating said described thirty foot right of way as a public road, said deed having been recorded in Deed Book 248 at page 505, Office of Judge of Probate of Shelby County, Alabama. In surveying and describing said thirty foot right of way for said road, I ran along the center line, or within five or ten feet thereof, of a presently existing farm road leading from said Shelby County Highway No. 55 in a Westerly direction to a point in the Northeast Quarter of Northwest Quarter of Section 4, Township 18 South, Range 2 East, where said farm road bears to the North and into St. Clair County, at which point I extended the survey which I was making for the thirty foot public road in a generally curved manner to the South and Southeast and ending at the South line of the Northwest Quarter of Northeast Quarter of Section 5, Township 18 South, Range 2 East.

The presently existing farm roadway leading Westerly from Shelby County Highway No. 55 to said point in the Northeast Quarter of Northwest Quarter of Section 5, Township 18 South, Range 2 East where said roadway turns in a Northerly direction lies entirely within the bounds of the thirty foot right of way/^{description} which I prepared and which is shown in the public road right of way deed recorded in Deed Book 248 at page 505, Office of Judge of Probate of Shelby County, Alabama.
